SOBRE ESTE PROYECTO

Create a striking card with bold horizontal stripes in vibrant glitter colours - red, green, blue and purple - against a black background. The design features an embossed silver character mounted on a circular black panel, with the sentiment 'YOU ARE AWESOME' completing this eye-catching contemporary card. This project uses simple layering techniques with glitter and embossing to achieve a professional finish.

CONSEJOS DEL PROGRAMA

- Use an anti-static bag when stamping to ensure crisp black impressions.
- Apply glitter one strip at a time for controlled colour placement, or lift all tape at once and sprinkle colours in one direction for a graduated effect.
- You can use leftover glitter from your craft stash—these products go a long way.
