PASO A PASO

1

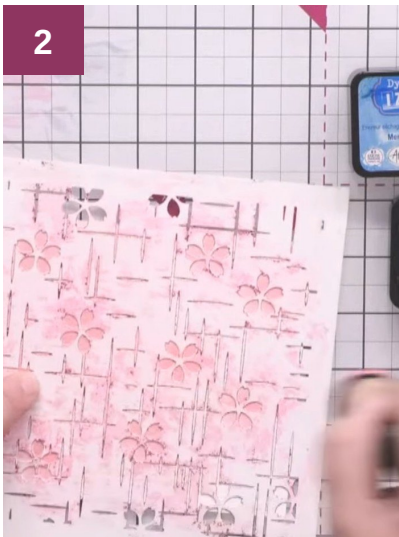

PASO 1 DE 10

Stamp the geisha image onto white cardstock using pink dye ink.

Hold the stamp firmly in place and apply even pressure to ensure a clear impression, particularly of the flower details.

2

PASO 2 DE 10

Reposition the stamp and stamp the same image again using a different pink shade from your watercolour palette to create layered depth and variation.

3

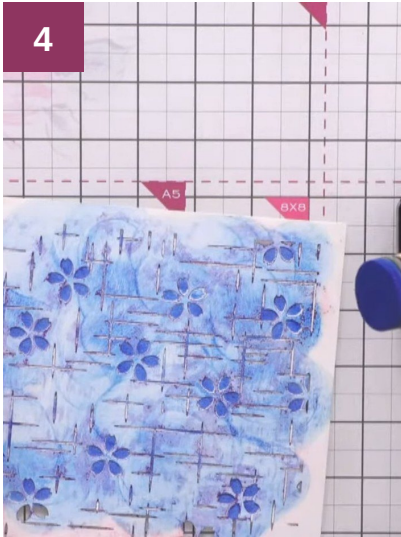

PASO 3 DE 10

Apply blue ink from the Izink palette to the stamped flower areas using a waterbrush, building up the vibrant blue colour on the petals and floral details.

4

PASO 4 DE 10

Using a wet brush, blend blue watercolour ink into the stamped areas. Follow the direction of the lines and fill in the gaps between the flowers. Allow the colours to blend naturally on the white card.

5

PASO 5 DE 10

Add purple watercolour to deepen the colours and create shadows. Focus particularly on the flower areas and around the geisha's features to add depth and dimension.

6

PASO 6 DE 10

Apply a light skin tone watercolour to the geisha's hair using a brush. Keep the colour pale and pastel rather than dark or heavily saturated.

PASO 7 DE 10

Using a waterbrush, apply teal blue watercolour from the palette to selected areas of the stamped design. This adds depth and creates colour harmony with the pink and blue flowers already on the card.

PASO 8 DE 10

Die-cut the painted design using a shaped edge die. Centre the floral image on the cutting mat, ensuring it doesn't overlap the die plates. Press down firmly to cut through.

PASO 9 DE 10

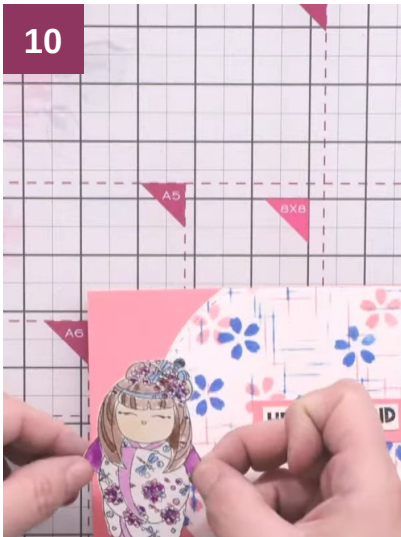

Adhere the stamped geisha design onto a gold cardstock mat. Mount the layered piece onto the front of a blank card base to complete your card.

CONSEJOS DEL PROGRAMA

- Don't be afraid to leave white areas unpainted - sometimes less colour creates a better effect than colouring everything.
- Use a round brush for watercolour application, though a fan brush gives more random flicks if preferred.
- Water down the watercolour slightly so it's not too intense, especially when using pastel shades.
