

Hibiscus Seed Packet Effect Card with Wallet Insert

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MY PODCAST - 9 DE FEBRERO DE 2026

SOBRE ESTE PROYECTO

Create a vintage-style card featuring a hibiscus flower with a seed packet effect, paired with a coordinating wallet insert. The design uses layered stamping in brown and black ink on cream cardstock to create depth and an aged, botanical look. This project combines stamping, die-cutting and distressing techniques for a sophisticated vintage aesthetic.

PASO A PASO

1

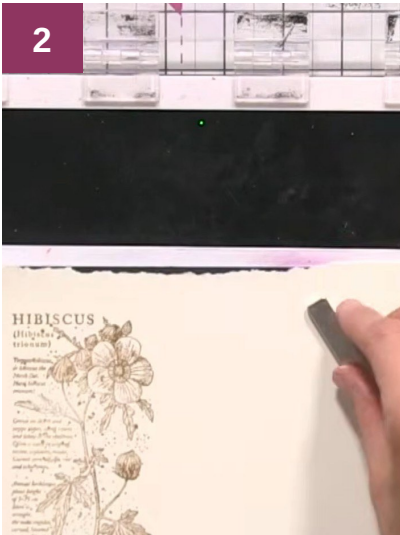

PASO 1 DE 12

Stamp the hibiscus flower image onto cream cardstock using brown walnut stain distress oxide ink. Ensure the image is clearly stamped with good coverage.

[VER ESTE PASO - 29:15](#)

2

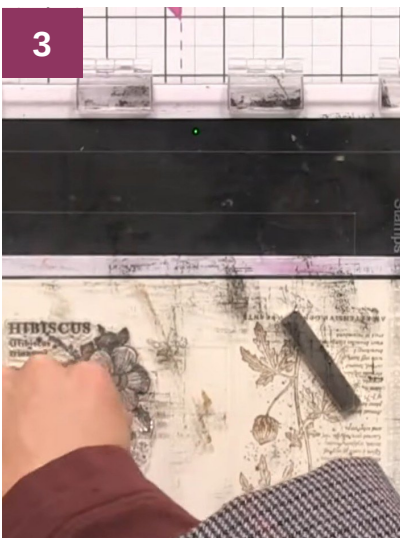

PASO 2 DE 12

Stamp the hibiscus image a second time onto a separate piece of cream cardstock using the brown ink pad.

[VER ESTE PASO - 31:00](#)

3

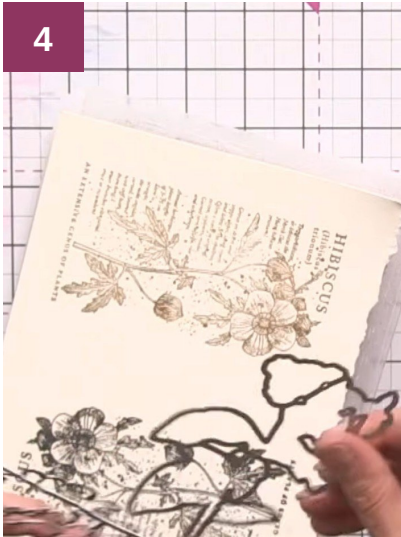

PASO 3 DE 12

Apply black ink to the stamp pad and add black ink to one side of the second stamped image, blending it in a circular motion to create a darker edge.

[VER ESTE PASO - 32:15](#)

4

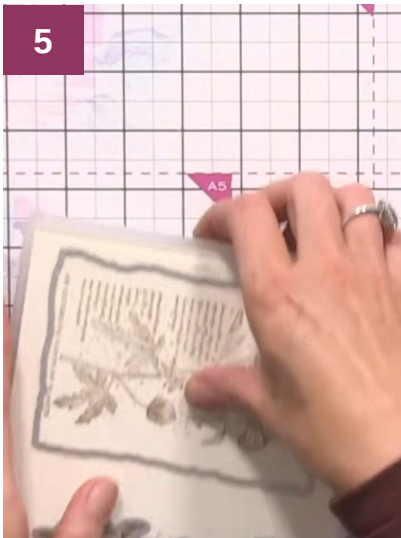

PASO 4 DE 12

Use the coordinating die to cut out the flower from the brown-stamped image, leaving the exterior sketchy edge intact.

[VER ESTE PASO - 33:45](#)

5

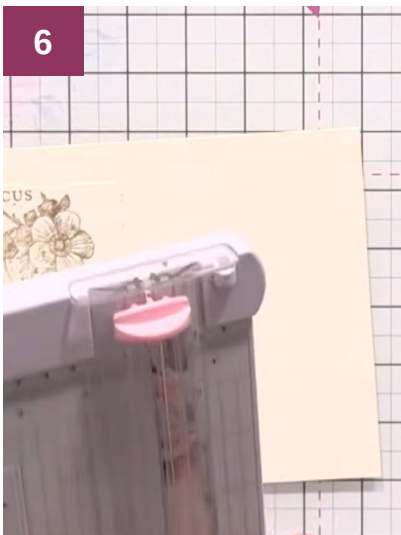

PASO 5 DE 12

Cut out the flower and exterior from the black-inked image using your die-cutting machine. Trim carefully around the stamped designs to separate the two motifs.

[VER ESTE PASO - 34:45](#)

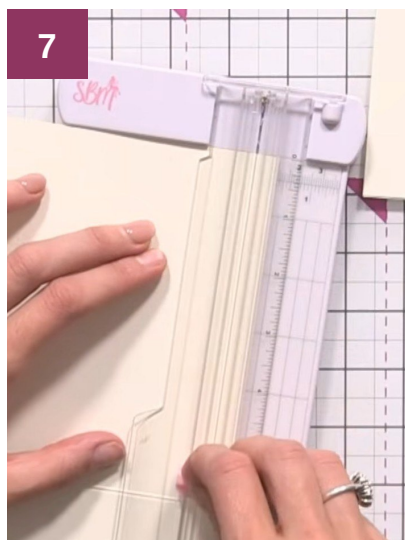

6

PASO 6 DE 12

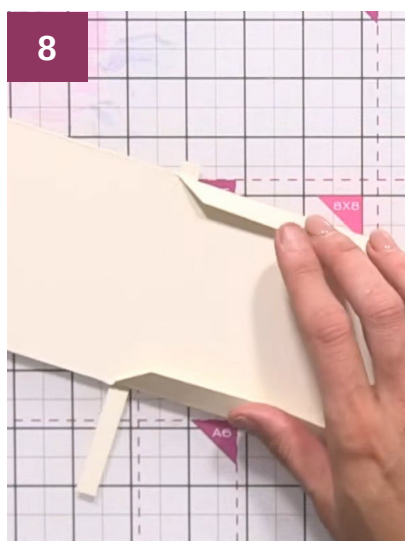

Score lines down the centre of your cream card blank at half-inch intervals using a scoring tool to create the fold lines for the wallet structure.

[VER ESTE PASO - 36:30](#)

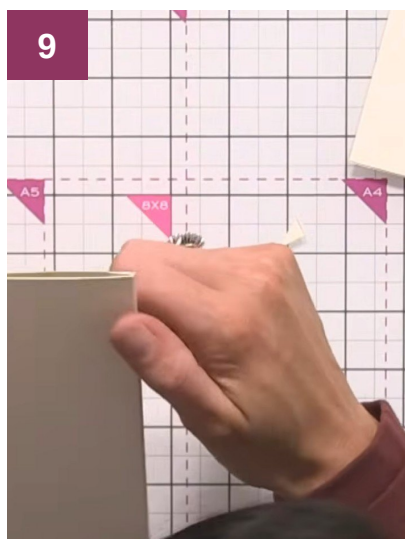

PASO 7 DE 12

Trim away the back flap and side flaps of the card blank using scissors to create the wallet pocket shape.

[VER ESTE PASO - 38:30](#)

PASO 8 DE 12

Chamfer off the edges of the wallet piece to reduce bulk where it will fold. This creates a bevelled edge that will help the card fold more smoothly.

[VER ESTE PASO - 39:30](#)

PASO 9 DE 12

Punch a hole through both layers at the top centre of the wallet to create a pocket detail.

[VER ESTE PASO - 40:00](#)

10

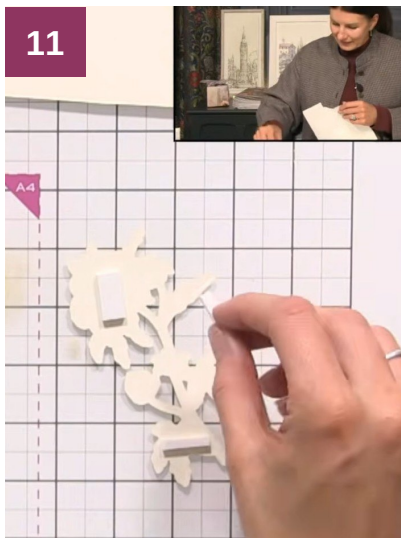

PASO 10 DE 12

Using a blending brush, blend brown distress ink around the edges of the wallet insert to create a vintage distressed effect.

[VER ESTE PASO - 41:30](#)

11

PASO 11 DE 12

Adhere the cut-out white flower pieces to the front of the wallet, layering them to create dimension.

[VER ESTE PASO - 44:15](#)

12

PASO 12 DE 12

Stamp the hibiscus design on the left side of the interior card piece, positioning it off the edge so it appears to flow in from the side. Repeat the stamp lower down to create a flowing design down one side of the card.

[VER ESTE PASO - 46:00](#)

CONSEJOS DEL PROGRAMA

- You can make a shaker card by keeping the piece flat, cutting it out, and adding a clear acetate window with sparkles underneath.
- The cut-away piece from the pocket can be decorated and used as a bookmark or card insert.
- Use excess ink on your brush to add texture to the cream cardstock edges to prevent them looking sterile.
