

Flores Petal Power coloreadas con acuarela

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - BRAND SHOWCASE - 4 DE NOVIEMBRE DE 2022

SOBRE ESTE PROYECTO

Create beautiful floral artwork by stamping a delicate petal power design and bringing it to life with vibrant watercolour paints in purple, pink and blue tones. Carefully cut out the coloured flowers to use as elegant embellishments for decoupage, layering on cards, or as standalone decorative elements. This technique combines traditional stamping with the soft, artistic effect of watercolour painting.

PASO 5 DE 6

Colour the outer edges of the cut flowers with matching watercolour to eliminate white lines. Use a brush to apply the watercolour carefully around the edges of each petal.

CONSEJOS DEL PROGRAMA

- Keep the initial colouring simple so you have flexibility in how you use the flowers later.
- Colouring the edges after cutting eliminates the white line that can detract from the design.
- These flowers work beautifully on fabric, in frames, or layered on cards.
