PASO A PASO

PASO 1 DE 8

Position your mandala stencil on your white card base. Ensure the stencil lies flat and is securely placed before you begin inking.

PASO 2 DE 8

Select your first ink colour and apply it through the stencil using a stamp pad or ink brush. Work within one section of the stencil, then fold the stencil in place to secure it whilst working.

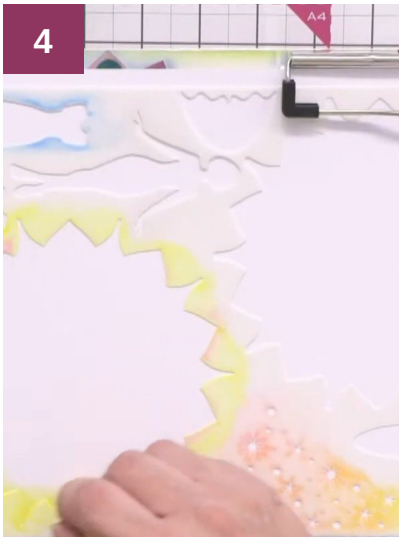

[VER ESTE PASO - 15:30](#)

PASO 3 DE 8

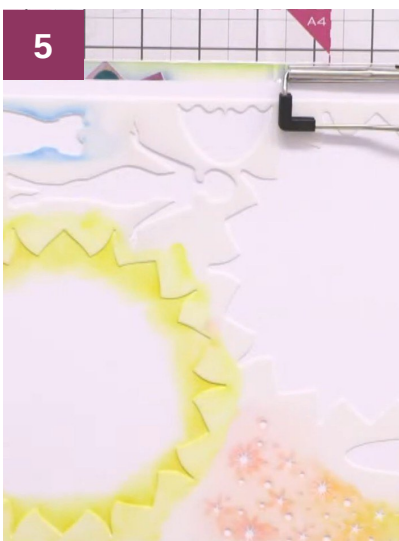

Rotate the stencil to align the next section of the mandala pattern. Select a contrasting ink colour from your palette to continue building the design.

[VER ESTE PASO - 16:15](#)

PASO 4 DE 8

Apply yellow ink through the stencil opening around the central area, building up the layered mandala effect. Use a blending brush to work the colour through the stencil, creating a soft halo around the centre.

[VER ESTE PASO - 16:45](#)

PASO 5 DE 8

Continue working around the mandala, twisting the stencil and applying yellow ink through each section. Build up the complete circular sunburst design by repeating the process around the entire stencil.

[VER ESTE PASO - 17:30](#)

PASO 6 DE 8

Add depth and definition by going back over sections with a darker shade of the same colour. Focus on creating shadow areas around the edges of the stencilled shapes to enhance the layered effect.

[VER ESTE PASO - 18:30](#)

PASO 7 DE 8

Allow the ink to dry completely before carefully removing the stencil from the card. Lift the stencil slowly to reveal the yellow and orange mandala design beneath.

[VER ESTE PASO - 23:00](#)

PASO 8 DE 8

Add a sentiment stamp or embellishment to the centre of your mandala if desired. This completes your layered ink mandala background card.

CONSEJOS DEL PROGRAMA

- Start your brush strokes off the stencil edge rather than directly on it to avoid brush marks showing through.
- The stencil is made of 350 micron material, so it holds firmly in place without shifting.
- You can create backgrounds, build up lady figures with wings, or design butterflies using the same stencil system by selecting different sections.
