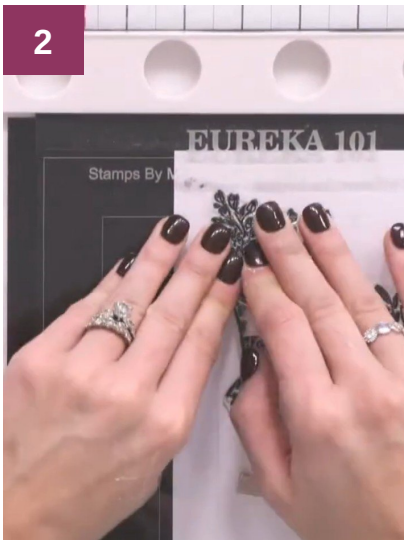
2



PASO 2 DE 9

Roughly fussy cut around the outer edges of the stamped bouquet, avoiding the fiddly interior details. Simply cut around the general shape to remove the excess card.

PASO 3 DE 9

Use a small brush with diluted ochre or yellow watercolour to paint around the white edges of your fussy cut stamped images. This pushes the white edge back visually and helps the images blend into your background.

Fill in any remaining white space around the coloured bouquet with ochre or yellow watercolour to complete the background wash.

VER ESTE PASO - 37:30

PASO 7 DE 9

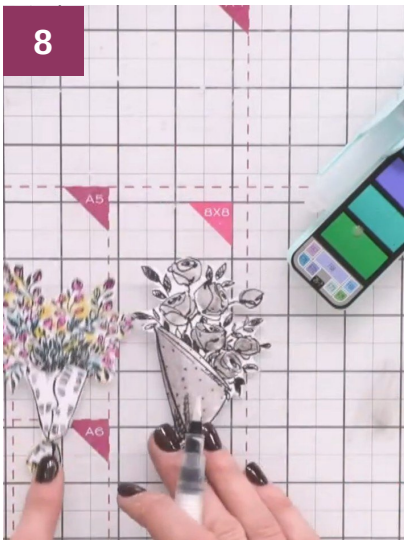
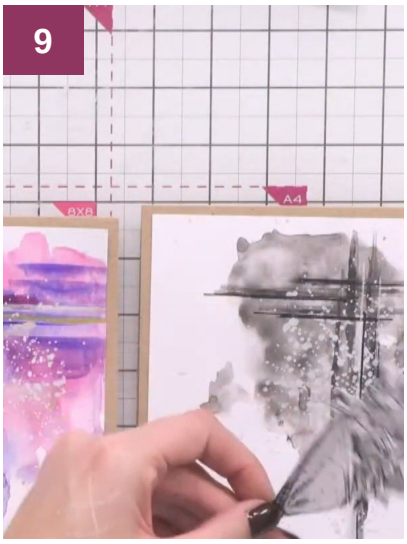
VER ESTE PASO - 38:00



PASO 8 DE 9

Add a sentiment stamp to your card. Use a Sparkle pen to add decorative details and embellishments to the stamped images and background.

VER ESTE PASO - 39:30



PASO 9 DE 9

Add sparkle to your cards by applying sequins or other embellishments to both the watercolour background card and the stamped bouquet card. Position them where desired to enhance the design.

VER ESTE PASO - 43:00

CONSEJOS DEL PROGRAMA

• You don't need to fussy cut into all the fiddly details; roughly cutting around the outer edges saves time and looks just as good.
• Use a diluted ochre or yellow watercolour around the white edges to make your fussy cutting look neater and push the white edge back.
• Pounce colour onto the flowers rather than painting carefully; this keeps the artistic, carefree look that matches the background.
