EL PROYECTO TERMINADO

**SOBRE ESTE PROYECTO**

Create a delicate fairy card featuring the Make It Happen stamp with loose watercolour painting in soft pinks, purples, and greens. This ethereal design uses spray and water effects to build dreamy, layered colour that gives your fairy figure a magical, floating quality. The technique creates beautiful soft washes and splattered details for an enchanting finish.

## CONSEJOS DEL PROGRAMA

- You don't need to be a confident artist as the stamp lines guide your colouring.
- You can use alcohol markers instead of watercolours if you prefer.
- The stamp is versatile—the same image can become different characters depending on how you colour and interpret it.
