

Oriental Pagoda Scene Card with Layered Elements

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MONDAY MADNESS - 24 DE OCTUBRE DE 2022

SOBRE ESTE PROYECTO

Create an elegant Oriental-inspired card featuring a layered pagoda scene against a delicate marble-effect background. The design combines a gold die-cut pagoda silhouette with a white circular moon, gold and black matting, and an inspirational sentiment reading 'Be Yourself and You Can Be Anything'. This sophisticated card uses die-cutting, layering and foam mounting techniques to achieve beautiful dimensional depth.
