SOBRE ESTE PROYECTO

Create a stunning tall slimline card featuring a dramatic inky background in rich indigo and surfboard blue tones. PASO A PASO

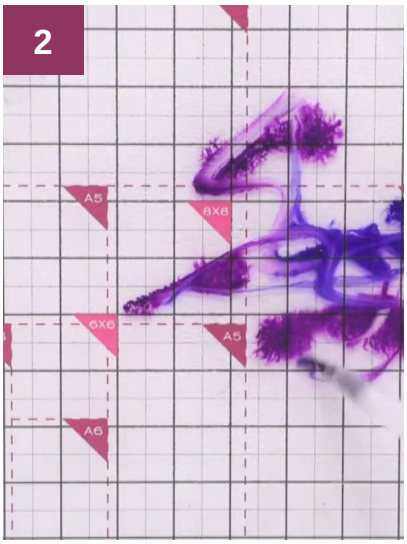
PASO 1 DE 16

Cut a piece of white cardstock to slimline card size to create your background panel.

VER ESTE PASO - 37:00



PASO 2 DE 16

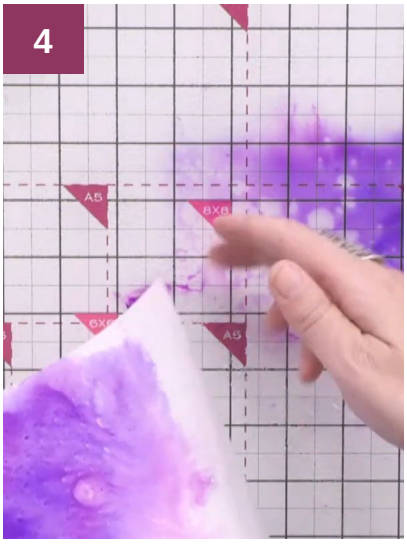
Spritz the white cardstock lightly with water using a spray bottle to prepare the surface for ink application.

VER ESTE PASO - 38:15

PASO 3 DE 16

Dip the wet cardstock into the indigo ink pad, allowing the purple colour to spread and blend across the surface.

VER ESTE PASO - 38:30



PASO 4 DE 16

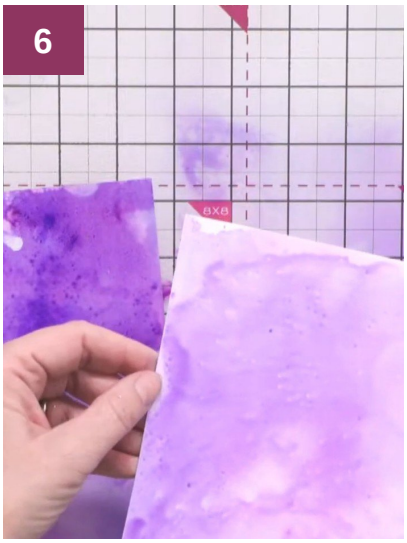
Dip the same piece of white cardstock into the surfboard ink pad to add a secondary colour layer that blends with the indigo, creating a purple ombré effect.

VER ESTE PASO - 39:00

PASO 5 DE 16

Spritz confetti shimmer ink onto the wet purple background to add sparkle and further colour variation. The shimmer will create a shimmering effect across the watercolour background.

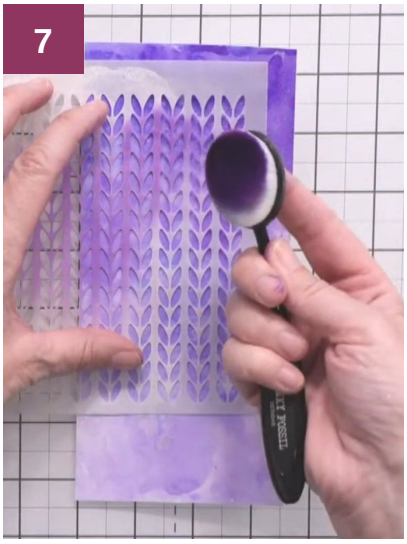
VER ESTE PASO - 39:30



PASO 6 DE 16

Allow the purple inked background to dry completely. You can use a heat gun to speed up the drying process if you want surface dryness before adding more layers.

VER ESTE PASO - 40:00



PASO 7 DE 16

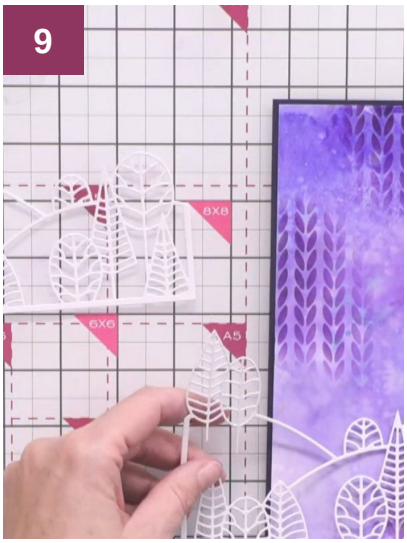
Mount the inky background panel with the knitted pattern stencil design onto a dark purple card mat using a blending tool to smooth it down.

VER ESTE PASO - 43:45

PASO 8 DE 16

Position the Nordic knitted pattern stencil over the purple inky background. Using a brush, apply indigo ink through the stencil in three locations across the card for visual balance.

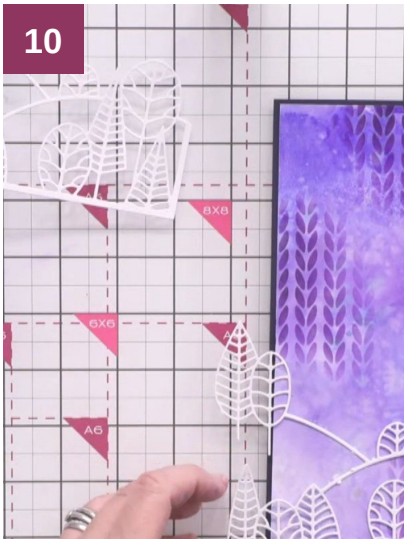
VER ESTE PASO - 44:00



PASO 9 DE 16

Die-cut the country view die from white cardstock three times to create layered hills for your scene.

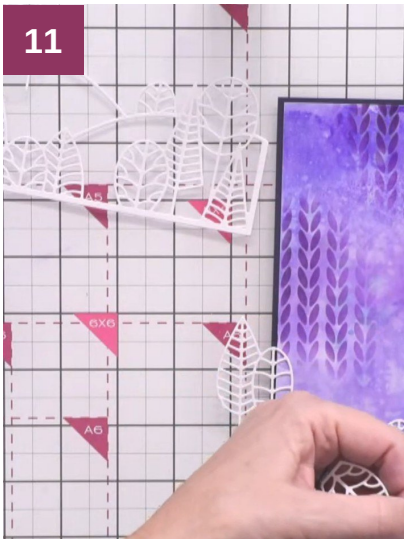
VER ESTE PASO - 46:15



PASO 10 DE 16

Carefully trim away the upper portion of the white die-cut leaf scene, keeping only the bottom hill section with the lower leaves intact.

VER ESTE PASO - 48:00



PASO 11 DE 16

Cut away sections from the second white die-cut to create a middle hill layer. Trim the bottom portion and keep the upward slope to connect with the first layer.

VER ESTE PASO - 49:30

PASO 12 DE 16

Trim the third die-cut piece to show only the top trees, cutting away the lower portion. This creates a layered scene that builds upwards across the card.

VER ESTE PASO - 51:30

PASO 13 DE 16

Glue each layer of the country view scene onto the inky background card, stacking the die-cut houses and trees to create depth. Position the black house die-cuts among the white outline trees to build up the layered scene.

VER ESTE PASO - 52:45

PASO 14 DE 16

Die-cut a festive word such as 'Joy' from white cardstock using the Festive Word Dies. Position and adhere the word at the top of the right-hand card panel.

VER ESTE PASO - 55:00

PASO 15 DE 16

Add an enamel dot on top of the festive word die-cut to complete the card. Position the dot centrally for a polished finishing touch.

VER ESTE PASO - 55:45

PASO 16 DE 16

Trim away any die-cut elements that overhang the edges of your slimline card using scissors to create a clean, professional finish.

VER ESTE PASO - 57:00

CONSEJOS DEL PROGRAMA

- When working with juicy ink pads, use very little ink as it will spread significantly when water is introduced.
- Work quickly while inks are wet to allow confetti shimmer to blend into the background; work on dry areas for more defined splatters.
- Add the die-cut scene to the card before adhering it to the mat so you can trim the edges cleanly without damaging the background.
