

Watercolour Stencil and Stamp Artistic Card

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - FRIDAY LAUNCH - 14 DE OCTUBRE DE 2022

SOBRE ESTE PROYECTO

Create a stunning artistic card featuring beautiful purple flowers with a dreamy watercolour wash background. Using Quattro D stencils and stamps, you'll layer delicate floral designs with ink bleeding and water spray effects to achieve a contemporary, sparkly finish. The combination of stencilled backgrounds and stamped outline details creates an abstract, artistic look perfect for special occasions.

Del programa: Friday Launch

Mostrado: 14 de octubre de 2022

El proyecto empieza: 7:00 into the show...

En esta guía: 16 pasos, todos con foto

PASO A PASO

1

PASO 1 DE 16

Place your mini magnetic glass mat companion on your work surface to use as your inking station.

[VER ESTE PASO - 7:00](#)

2

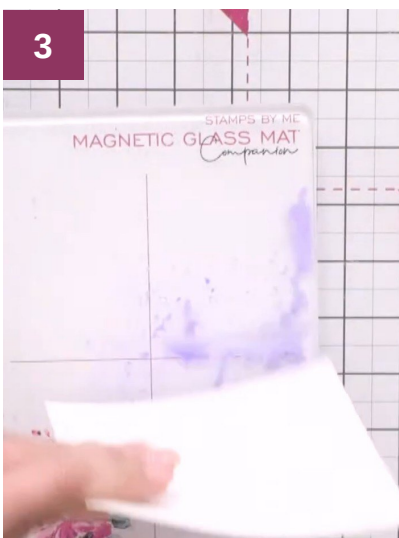

PASO 2 DE 16

Apply Indigo ink from the ink pad directly onto the magnetic glass mat in diagonal strokes. Keep the purple ink separate from where you'll add the second colour.

[VER ESTE PASO - 7:15](#)

3

PASO 3 DE 16

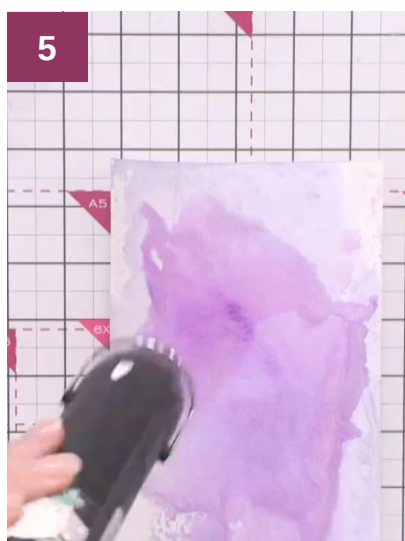

Spritz the inked magnetic glass mat with pearly spray water to create a wet, blended effect. Gently move the colours around on the mat to blend them together.

[VER ESTE PASO - 7:30](#)

PASO 4 DE 16

Press the watercolour cardstock face down onto the wet blended ink on the glass mat to pick up the colour. Ensure even contact across the entire surface to transfer the ink.

[VER ESTE PASO - 8:00](#)

PASO 5 DE 16

Position stencil number one in the centre of your cardstock. Hold it in place using magnets on the corners to prevent it from moving.

[VER ESTE PASO - 9:15](#)

PASO 6 DE 16

Using a mini sponge applicator, apply blue ink through the stencil openings, working the colour through to create depth and variation in the design.

[VER ESTE PASO - 10:45](#)

PASO 7 DE 16

Remove the first stencil carefully. Position the second stencil on top of the card, using the numbered alignment guides to ensure it lines up correctly with the first stamped image.

[VER ESTE PASO - 12:30](#)

PASO 8 DE 16

Apply the same purple ink through the second stencil, pressing firmly to build up the layered floral design on your card.

[VER ESTE PASO - 12:45](#)

PASO 9 DE 16

Spritz the stamped card lightly with water spray to create a watercolour bleeding effect and soften the stencilled lines.

[VER ESTE PASO - 13:15](#)

10

PASO 10 DE 16

Position stencil three over your card using the numbered alignment guides. Apply green ink through the stencil using a blending tool or sponge to add the foliage details to your design.

[VER ESTE PASO - 15:00](#)

11

PASO 11 DE 16

Position the fourth stencil layer and press firmly with the same green ink to complete the magnolia flower design.

[VER ESTE PASO - 17:45](#)

12

PASO 12 DE 16

Stamp the outline detail in black waterproof ink over the entire stencilled design. Use the Magnolia stamp from the Quattro D set to add fine line details over the purple flowers.

[VER ESTE PASO - 20:00](#)

13

PASO 13 DE 16

Stamp the same outline detail again on top of the black stamped image using pink dye-based ink to add colour variation. Ensure the pink stamp is aligned over the black outline for a layered effect.

[VER ESTE PASO - 21:30](#)

14

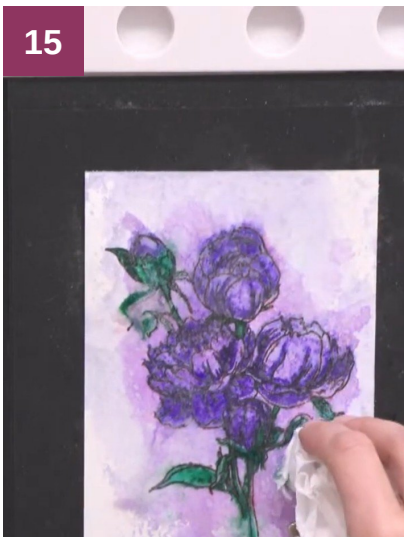

PASO 14 DE 16

Lightly spritz the artwork with water using a spray bottle to allow the pink ink to bleed slightly into the floral design, creating a soft watercolour effect.

[VER ESTE PASO - 22:30](#)

15

PASO 15 DE 16

Position stencil two over your stamped image again. Use the purple ink pad to dab through the stencil, reinforcing any blue detail that may have been lost during previous steps.

[VER ESTE PASO - 23:15](#)

16

PASO 16 DE 16

Mount your finished watercolour artwork onto black cardstock to create a striking base for your card. Position the artwork centrally on the black card and secure it in place.

[VER ESTE PASO - 24:45](#)

CONSEJOS DEL PROGRAMA

- You can use any ink pads from your stash – you do not need to use the exact colours shown.
- If you lose detail when spraying with water, simply go back in and add the stencil layer again on top to restore it.
- Use a gel pen to bring back highlights and add extra detail to your finished card.
