SOBRE ESTE PROYECTO

Create an elegant card featuring a beautifully dressed figure using two-part lamination stamps, then integrate complementary floral stamps to frame and enhance the design. This project demonstrates how to combine multiple stamp sets for a sophisticated, layered effect with a classic colour palette. The finished card showcases dimensional stamping techniques with careful alignment and artistic embellishment.

CONSEJOS DEL PROGRAMA

- You can stamp the outline first or the solid portion first—both approaches work equally well.
- The two floral stamps integrate beautifully together to create a wreath or frame effect.
- Stamping sentiments through the gown design creates an interesting vintage magazine aesthetic.
