

Tarjeta con F en embossing y flor de crisantemo

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - HSN PRODUCT INSPIRATION - 8 DE SEPTIEMBRE DE 2026

SOBRE ESTE PROYECTO

Create a striking card featuring a large embossed gold 'F' initial paired with a beautifully layered chrysanthemum flower. The design combines elegant heat-embossed lettering with dimensional floral elements in soft pinks and whites against a delicate watercolour background. This sophisticated project uses die-cutting, heat embossing, and dimensional layering techniques to create a personalised greeting card perfect for any special occasion.

PASO A PASO

PASO 1 DE 12

Select a white card stock as your base. Prepare your anti-static bag to prevent embossing powder from scattering across your work surface.

[VER ESTE PASO - 37:00](#)

2

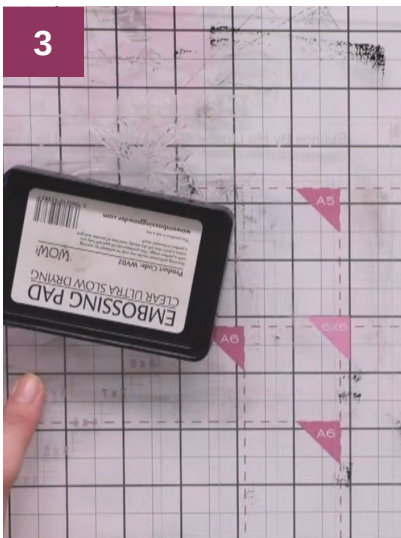

PASO 2 DE 12

Place your large F stamp face-up on the Eureka 101 stamping tool. Apply sticky ink evenly across the entire stamp surface, ensuring full coverage of the design.

[VER ESTE PASO - 38:00](#)

3

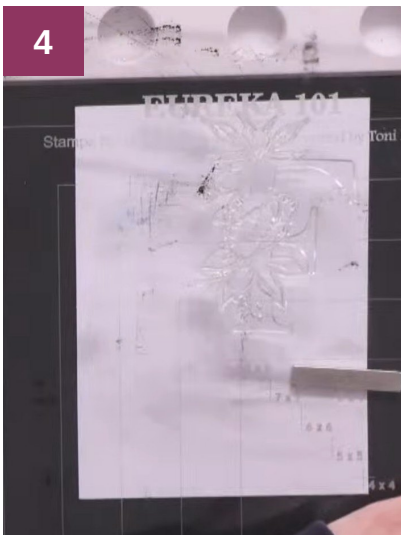

PASO 3 DE 12

Stamp the letter F onto white card stock using the embossing pad. Press firmly to transfer the complete image, including the chrysanthemum flower detail in the centre.

[VER ESTE PASO - 39:00](#)

4

PASO 4 DE 12

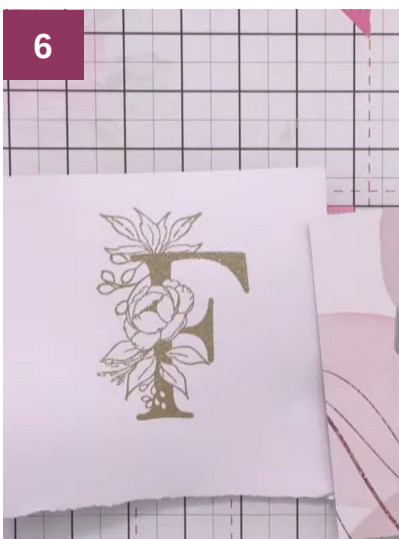

Apply metallic gold embossing powder over the wet ink, coating the entire stamped design. Tap off any excess powder back into the container.

[VER ESTE PASO - 39:15](#)

PASO 5 DE 12

Heat set the embossed gold F using a heat gun, holding it at a safe distance from the card until the embossing powder melts and becomes glossy.

[VER ESTE PASO - 43:45](#)

PASO 6 DE 12

Die cut the embossed F using the coordinating die. Run it through your die-cutting machine to create a clean, precise shape with the floral design.

[VER ESTE PASO - 45:45](#)

PASO 7 DE 12

Cut a white card panel and a thin craft card border. Layer the craft card border beneath the embossed letter F to create dimension and contrast.

[VER ESTE PASO - 48:00](#)

8

PASO 8 DE 12

Stamp the word 'Fabulous' in gold embossing powder at the top of the white craft border strip, positioning the 'F' upwards. Stamp the 'U' at the bottom of the strip, positioning it downwards to frame the floral arrangement.

[VER ESTE PASO - 52:00](#)

9

PASO 9 DE 12

Adhere the pink craft border panel to the white card base, ensuring a thin white border is visible around the edges.

[VER ESTE PASO - 56:00](#)

10

PASO 10 DE 12

Position and adhere the embossed gold F panel onto the pink speckled card base, placing it towards the upper portion to leave space below for the floral embellishment.

[VER ESTE PASO - 57:00](#)

11

PASO 11 DE 12

Glue a small pink and white chrysanthemum flower into the lower portion of the card. Gently curl and twizzle the petals to add dimension and create a natural, three-dimensional appearance.

[VER ESTE PASO - 57:45](#)

12

PASO 12 DE 12

Add a small sparkly gem or jewel to the centre of the flower to complete the card.

[VER ESTE PASO - 1:02:00](#)

CONSEJOS DEL PROGRAMA

- Heat your embossing gun until it is hot before applying it to the card to avoid warping the card stock.
- There is no right or wrong way to place the die cuts down, but ensure you use the correct side of the paper.
- Flowers are not perfectly symmetrical, so slight variations in petal placement and curling create a more natural appearance.
