

Festive House Christmas Card with Inked Background and Embossed Snow

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - FRIDAY LAUNCH - 23 DE SEPTIEMBRE DE 2022

SOBRE ESTE PROYECTO

Create a stunning Christmas card featuring a festive house stamp with a hand-painted watercolour background in atmospheric purple and blue tones. Layer torn white card to create snow drifts and add sparkly embossed snowflake details for a moody, magical winter scene. This project combines watercolour painting, stamping, embossing and layering techniques to achieve a beautiful dimensional effect.

Del programa: Friday Launch

Mostrado: 23 de septiembre de 2022

El proyecto empieza: 6:30 into the show...

En esta guía: 16 pasos, todos con foto

PASO A PASO

1

PASO 1 DE 16

Apply indigo ink from the Pretty Colour Inside ink pad to white cardstock. Add water with a brush to create a watercolour wash effect, blending the ink across the surface.

[VER ESTE PASO - 7:15](#)

2

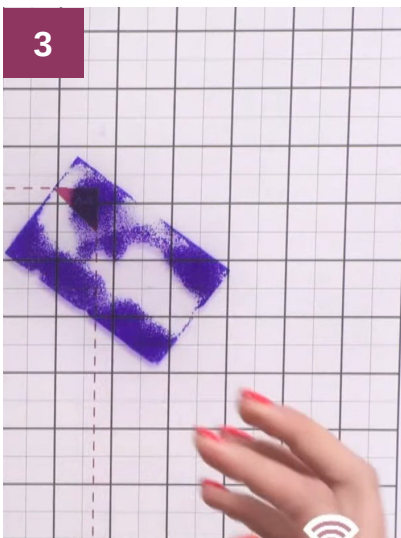

PASO 2 DE 16

Apply purple ink to another area of the white cardstock. Use a wet brush or water to blend the purple ink, creating a two-tone watercolour background effect.

[VER ESTE PASO - 8:15](#)

3

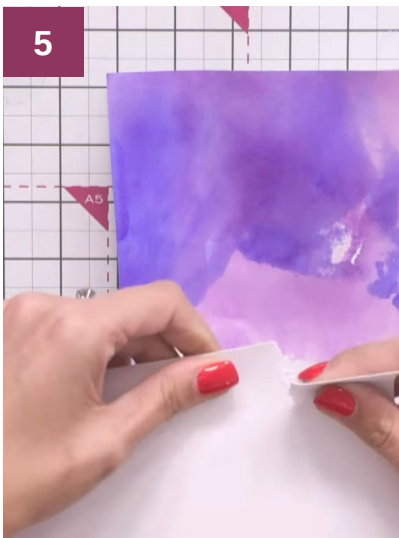

PASO 3 DE 16

Apply indigo ink sparingly to the background pieces using the ink pad. Add water with a brush or mop to blend and create colour variation in the purple tones.

[VER ESTE PASO - 8:45](#)

**PASO 4 DE 16**

Allow the inked background to dry completely before proceeding to the next step.

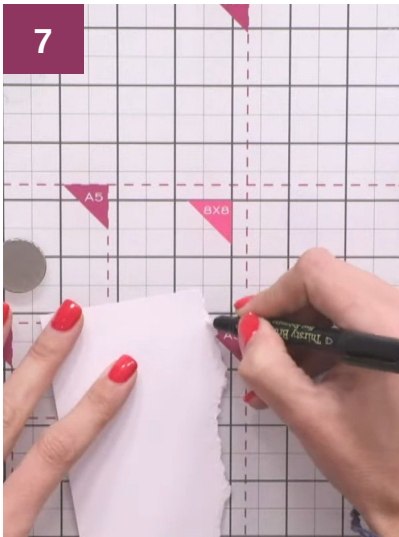

[VER ESTE PASO - 9:30](#)**PASO 5 DE 16**

Tear up pieces of white cardstock to create snow drift shapes of varying sizes. These will be used to create a snowy effect at the bottom of your card.

[VER ESTE PASO - 11:45](#)**PASO 6 DE 16**

Layer the torn white pieces onto the inked purple background, positioning them across the lower portion to create a snowy hillside effect. Press down gently to secure them in place.

[VER ESTE PASO - 12:00](#)

PASO 7 DE 16

Use an embossing pen to colour the torn edges of the white snow drift pieces with clear embossing ink. Apply the ink carefully along all the torn edges where the snow meets the card.

[VER ESTE PASO - 13:15](#)

PASO 8 DE 16

If you don't have an embossing pen, use an ink pad and brush to apply embossing ink to the torn snow edges of your card pieces.

[VER ESTE PASO - 14:00](#)

PASO 9 DE 16

Sprinkle Litter Bug embossing powder generously over the inked snow edges on your card. Ensure all the wet ink areas are covered with the powder.

[VER ESTE PASO - 15:00](#)

10

PASO 10 DE 16

Heat set the embossing powder using a heat gun to create a sparkly snow effect on the snowflake design.

[VER ESTE PASO - 16:00](#)

11

PASO 11 DE 16

Stamp the festive house image onto grey cardstock using black or grey ink. Alternatively, if you don't have grey cardstock, paint white cardstock with diluted grey ink to create a grey background.

[VER ESTE PASO - 19:15](#)

12

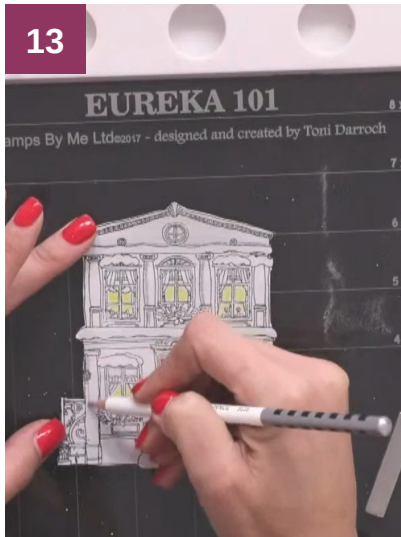

PASO 12 DE 16

Use coloured pencils or oil pastels to add dimension to the house image. Colour the door, windows, and roof details to bring the festive house to life.

[VER ESTE PASO - 24:00](#)

13

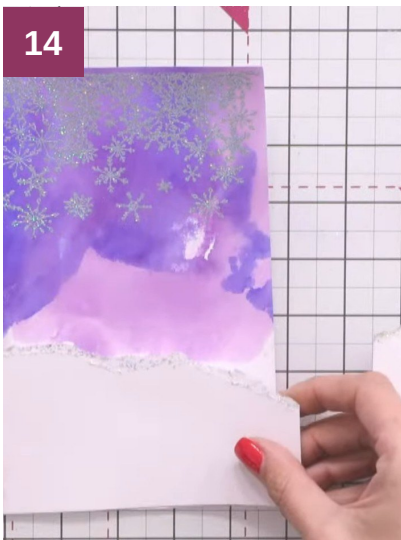

PASO 13 DE 16

Add shadows under the pillars and on the snow using a grey marker to create depth and dimension. Work carefully to enhance the architectural details and make the image pop.

[VER ESTE PASO - 24:15](#)

14

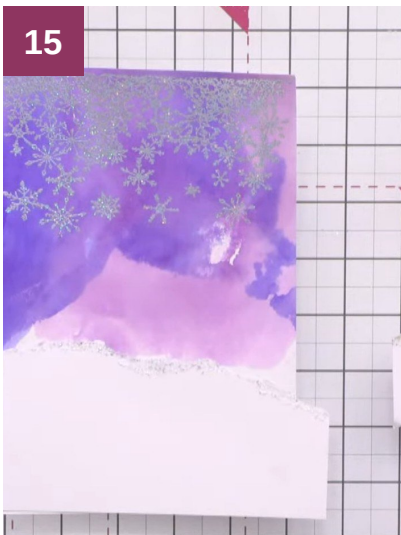

PASO 14 DE 16

Using scissors, carefully cut away the pillar sections from the coloured house image to simplify the fussy cutting process.

[VER ESTE PASO - 26:00](#)

15

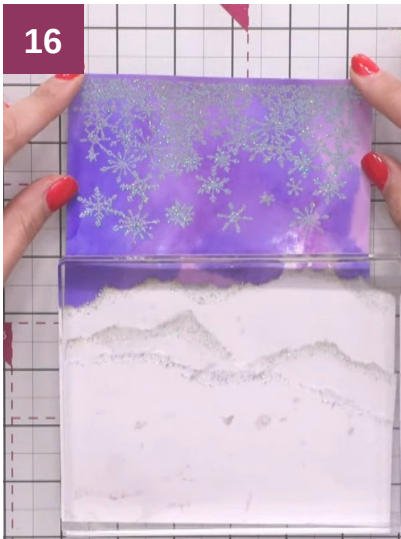

PASO 15 DE 16

Glue the torn white snow drift pieces to the left edge of the card front. Leave the right edge untrimmed for now.

[VER ESTE PASO - 26:15](#)

16

PASO 16 DE 16

Trim away any excess snow drift pieces that extend beyond the right edge of the card using scissors to create a neat finish.

[VER ESTE PASO - 28:00](#)

CONSEJOS DEL PROGRAMA

- Experiment with different embossing powders on different coloured backgrounds as they look completely different depending on the base colour.
- If you don't have grey cardstock, you can paint your own by diluting grey ink with water on a glass mat and painting the cardstock.
- Stamping the house details onto the background before layering the cut-out house on top allows you to avoid fussy cutting around intricate details like lights.
