

Sunflower Quattro D Card with Stencils, Stamp, Die and Embossing

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT - 16 DE SEPTIEMBRE DE 2022

SOBRE ESTE PROYECTO

Create a stunning floral greeting card featuring delicate pink roses with green foliage on a clean white background. This project uses the Quattro D layering technique combining stencilling, stamping, die-cutting and embossing to achieve professional depth and dimension. The finished card has a contemporary botanical style perfect for any occasion.

PASO A PASO

1

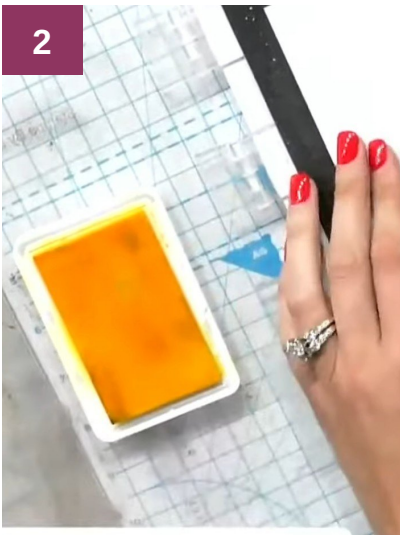

PASO 1 DE 10

Position stencil number one in the corner of your white cardstock, holding it firmly in place with your hand.

[VER ESTE PASO - 18:00](#)

2

PASO 2 DE 10

Select your chosen ink pad colour. Dab the ink pad lightly onto a blending brush and apply through the stencil, building up the colour gradually for a soft, blended effect.

[VER ESTE PASO - 18:30](#)

3

PASO 3 DE 10

Remove the first stencil and position the second stencil over the yellow flower base. Apply orange ink through the stencil to create the next layer of petals.

[VER ESTE PASO - 19:15](#)

4

PASO 4 DE 10

Position stencil three over the sunflower and apply green ink around the flower centre to add foliage and depth. Use a blending tool or sponge to dab the ink through the stencil.

[VER ESTE PASO - 20:00](#)

5

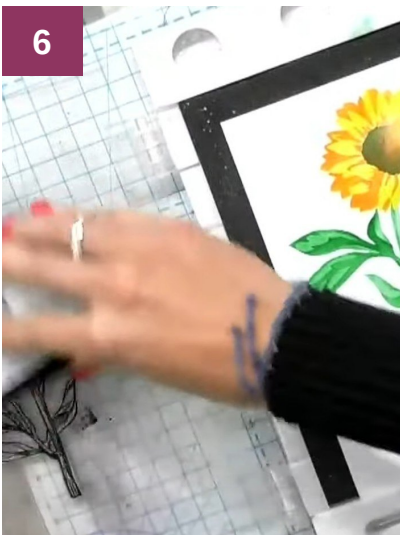

PASO 5 DE 10

Position stencil four over your card and apply darker green ink using a blending sponge to build depth in the flower's centre and create shadow areas.

[VER ESTE PASO - 20:45](#)

6

PASO 6 DE 10

Stamp the flower stem from the Sunflower Quattro D stamp set in black ink over the stencilled design on your card.

[VER ESTE PASO - 23:15](#)

PASO 7 DE 10

Die-cut around the entire sunflower design using the outline die from the Quattro D set. Position the die to frame your coloured flower, ensuring all elements including the stem and leaves are included within the cutting line.

[VER ESTE PASO - 24:00](#)

PASO 8 DE 10

Place the die-cut sunflower design inside the 3D embossing folder, carefully lining it up with the raised pattern on the folder.

[VER ESTE PASO - 25:30](#)

PASO 9 DE 10

Run the embossing folder through your die-cutting machine using the appropriate plates for your machine.

[VER ESTE PASO - 26:00](#)

10

PASO 10 DE 10

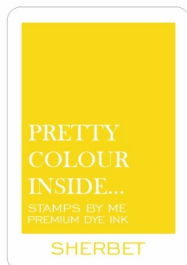

Remove the card from the embossing folder to reveal the embossed detail. The 3D effect will be visible on both the front and back of the white card, showing the raised flower petals and texture.

[VER ESTE PASO - 27:00](#)

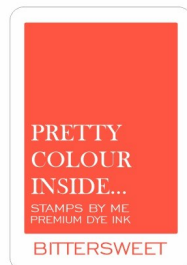

CONSEJOS DEL PROGRAMA

- You don't have to use all four stencils—skip any you wish or repeat layers for more colour.
- Don't worry about perfect alignment; the stencils only need to be roughly in place.
- These ink pads are very juicy, so take only a small amount on your brush to avoid over-inking.
