Stamp the 'Catch You Later' sentiment onto white card, cut it into two pieces, mount each onto blue card with gold backing, and position down the centre of the card.

[VER ESTE PASO - 22:00](#)**CONSEJOS DEL PROGRAMA**

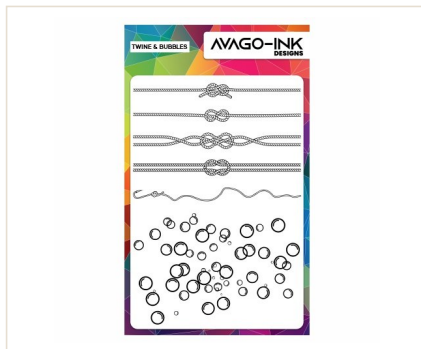

- Keep the paint damp but not too wet to avoid bleeding through stencil lines and achieve crisp edges.
- Save your paper masks in a wallet with your stamps so you can reuse them for future projects.
- Break up sentiment text into separate pieces and mount them off-centre to create a more interesting composition and showcase the background design.
