SOBRE ESTE PROYECTO

A dramatic watercolour painting featuring industrial buildings and towers reflected in water below. The technique uses dragging, splashing and layering to create depth, with a moody blue, brown and black colour palette that gives an atmospheric urban landscape effect.

Del programa: Studio 3

Mostrado: 7 de agosto de 2022

El proyecto empieza: 22:45 desde el inicio del programa

En esta guía: 16 pasos

MÍRALO EN EL PROGRAMA

PASO A PASO

1**PASO 1 DE 16**

Prepare your watercolour card or journal and gather two pots of water, watercolours, brushes (size 4, 6 or 8), a gift card or piece of thick card stock, and optional white gel pen and fine liner pen.

[VER ESTE PASO - 23:00](#)**2****PASO 2 DE 16**

Practice the dragging technique first: paint a line of watercolour onto your card, then drag a gift card or thick card through the colour to create tower-like streaks.

[VER ESTE PASO - 23:30](#)**3****PASO 3 DE 16**

Experiment with wet-on-wet technique by laying down clean water first, then adding colour lines and dragging through them to see how the paint flows differently.

[VER ESTE PASO - 24:00](#)**4****PASO 4 DE 16**

Paint the top half of your page with clean clear water using a larger brush.

[VER ESTE PASO - 34:00](#)**5****PASO 5 DE 16**

Add lines of blue watercolour at varying heights across the wet top half, leaving gaps between them.

[VER ESTE PASO - 35:15](#)**6****PASO 6 DE 16**

Drag your gift card or thick card through the blue lines to create vertical tower shapes, making them slightly wonky rather than perfectly straight.

[VER ESTE PASO - 36:30](#)**7****PASO 7 DE 16**

Add more blue colour down one side of some towers whilst still wet to create light and shade effects.

[VER ESTE PASO - 37:00](#)

8**PASO 8 DE 16**

Mix a brown or rusty orange colour and repeat the process, adding lines and dragging through them to create additional towers overlapping the blue ones.

[VER ESTE PASO - 38:15](#)**9****PASO 9 DE 16**

Mix black watercolour and add black tower lines and drags to create depth and contrast in your cityscape.

[VER ESTE PASO - 40:00](#)**10****PASO 10 DE 16**

Paint the bottom half of your page with clean clear water to prepare for the reflection.

[VER ESTE PASO - 41:15](#)**11****PASO 11 DE 16**

Spot blue, brown and black watercolour into the wet bottom half, placing colours below where they appear in the top half to create a reflection effect.

[VER ESTE PASO - 42:00](#)**12****PASO 12 DE 16**

Paint a black line along the horizon where the buildings meet the water to separate the ground from the reflection.

[VER ESTE PASO - 44:00](#)**13****PASO 13 DE 16**

Use your gift card to add more black lines and details to the buildings, creating edges and definition to frame individual structures.

[VER ESTE PASO - 45:30](#)**14****PASO 14 DE 16**

Drag clean water through the black line at the horizon to blur and blend it, creating a muddy reflection effect in the water below.

[VER ESTE PASO - 49:15](#)

15

PASO 15 DE 16

Mix thick black watercolour and use your gift card to add bold black lines throughout, dragging them to create sharp edges on some buildings.

[VER ESTE PASO - 51:30](#)

16

PASO 16 DE 16

Add definition to the sides of buildings by painting colour with less water in your brush, allowing it to naturally bleed if still wet.

[VER ESTE PASO - 53:30](#)

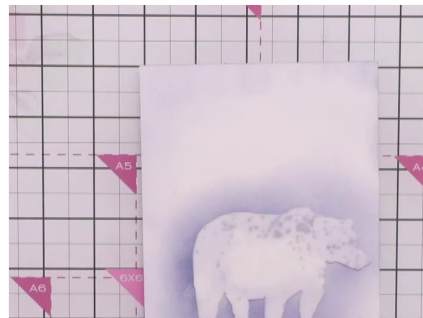

CONSEJOS DEL PROGRAMA

- Use this as a practice run rather than expecting a masterpiece on your first attempt; do several versions to build confidence.
- If all your colours blend into one muddy mess, dry it off with a heat tool and layer more colour on top to create instant light, perspective and foreground/background separation.
- Don't fill all the gaps in your painting as leaving some white space makes it look more interesting and realistic.
