[VER ESTE PASO - 48:00](#)**4****PASO 4 DE 9**

Stamp the second clock image, offsetting it slightly to create visual interest and avoid a rigid pattern.

Use a white gel pen to add light details around the clock faces, following the shading lines already present in the stamp design.

CONSEJOS DEL PROGRAMA

- Consider where your light source is coming from and add white gel pen details accordingly – this brings the stamps to life.
- The four individual clock stamps in this set give you flexibility to use them as additions, toppers or as a full background pattern.
- These clocks work beautifully for masculine cards, retirement cards, or any occasion related to time.
