PASO A PASO

1**PASO 1 DE 16**

Take the solid portion of the lamination stamp and spot multiple ink pad colours (yellows and blues) across the stamp using the corner of the pad.

[VER ESTE PASO - 6:45](#)**2****PASO 2 DE 16**

Spray the inked stamp lightly with water to blend the colours together, creating a watercolour effect.

[VER ESTE PASO - 8:45](#)**3****PASO 3 DE 16**

Stamp the coloured solid portion onto watercolour card stock, pressing down firmly.

[VER ESTE PASO - 9:00](#)**4****PASO 4 DE 16**

Add more yellow ink to the stamp if needed and repeat the spray and stamp process to build up colour intensity.

[VER ESTE PASO - 9:30](#)**5****PASO 5 DE 16**

Dry the stamped image completely.

[VER ESTE PASO - 10:15](#)**6****PASO 6 DE 16**

Stamp the outline detail layer on top of the dried watercoloured base using black ink.

[VER ESTE PASO - 12:00](#)**7****PASO 7 DE 16**

Apply gold embossing powder to the black outline layer and heat set it for a luxurious finish.

[VER ESTE PASO - 12:15](#)

8**PASO 8 DE 16**

Roughly cut out the seahorse image with scissors, not worrying about precision.

[VER ESTE PASO - 14:30](#)**9****PASO 9 DE 16**

Create a coloured background by pressing ink pads directly onto watercolour card stock in multiple colours (green, dye, orange, pink), spraying with water between each layer and drying.

[VER ESTE PASO - 16:30](#)**10****PASO 10 DE 16**

Add stem details to the background using a mask stamp and additional ink pad colours around the edges of your rectangular background shape.

[VER ESTE PASO - 24:15](#)**11****PASO 11 DE 16**

Sponge white confetti ink onto the background using a sponge dauber, tapping to create bubble effects; apply in layers, drying between applications.

[VER ESTE PASO - 25:15](#)**12****PASO 12 DE 16**

Draw dark circles of various sizes across the background using a dark pen to represent bubbles.

[VER ESTE PASO - 27:15](#)**13****PASO 13 DE 16**

Add white gel pen highlights to the dark circles to make them look like dimensional bubbles.

[VER ESTE PASO - 28:00](#)**14****PASO 14 DE 16**

Glue chunky glitter to the seahorse body, tail and fins using a glue pen, then shake off excess glitter.

CONSEJOS DEL PROGRAMA

- If you don't have watercolour card stock, normal card stock will work but won't move the ink around as easily.
- If you're not confident with fussy cutting, use a brush to colour in any white edges rather than worrying about perfect cuts.
- If the white edge from cutting bothers you, simply colour it in with a brush to match the image.
