

Stencil and Mask Wolf Card with Ink Blending

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MY PODCAST - 10 DE NOVIEMBRE DE 2025

SOBRE ESTE PROYECTO

Create a striking layered card featuring a wolf silhouette against an ink-blended forest background. Using stencil and masking techniques with blue ink tones on kraft cardstock, you'll build depth through shadow effects and paw print details. The design is finished with coordinating sentiment stamps for a professional woodland-themed greeting card.

PASO A PASO

PASO 1 DE 8

Position the stencil onto your kraft card blank. Use an ink pad to tap through the stencil design, creating the background pattern on the card.

PASO 2 DE 8

Position the mask over the wolf area on your stenciled paper.

Using a blending brush, apply blue ink around the edges of the design to create a shadow effect, working carefully around the masked area.

PASO 3 DE 8

Remove the mask from the wolf silhouette. Using black ink, add a halo shadow around the edge of the wolf to define it and tie the design together with the forest scene.

CONSEJOS DEL PROGRAMA

- If you are not confident with ink blending, you can splash the area with water and distress it up to create texture.
- The paper shows through the stencil, which gives you lovely detail even if your blending is not perfect.
- Know when to stop faffing with your design—sometimes less is more and you should not overwork it.
