[VER ESTE PASO - 20:30](#)**7****PASO 7 DE 16**

On each scored piece, cut away the small corner square where the score lines meet.

[VER ESTE PASO - 26:00](#)

8**PASO 8 DE 16**

Cut away the top panel along the score line to create the pocket opening.

Burnish all the score lines with a bone folder or scoring tool to create sharp creases.

[VER ESTE PASO - 27:00](#)**10****PASO 10 DE 16**

Fold each piece along all the score lines to create the accordion effect, alternating between valleys and peaks.

[VER ESTE PASO - 33:45](#)**11****PASO 11 DE 16**

Glue down the sides and base of each pocket piece to form the envelope-like pockets.

[VER ESTE PASO - 34:00](#)**12****PASO 12 DE 16**

Cut a strip of cardstock measuring 2.75 by 4 inches to serve as the connecting spine.

[VER ESTE PASO - 44:00](#)**13****PASO 13 DE 16**

CONSEJOS DEL PROGRAMA

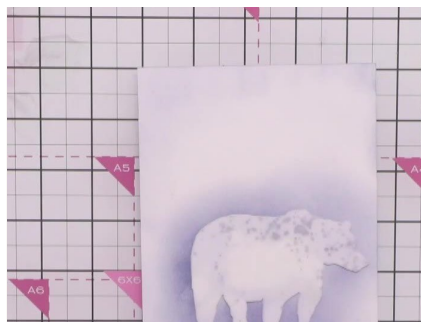

- Use single-sided papers rather than double-sided so the white back isn't visible when the project is finished.
- Fill the pockets with your chosen gifts before creating the arch closure, to ensure they fit properly.
- If you don't have corner punches or hole punches, the pockets still look great without these embellishments.
