PASO 11 DE 11

Apply texture glitter to the foliage elements and add gemstones and sequins throughout for sparkle and dimension.

[VER ESTE PASO - 35:00](#)**CONSEJOS DEL PROGRAMA**

- Leave some foliage white as it looks really pretty and prevents everything blending into one colour.
- Don't be afraid to hang embellishments off the edge of the page for visual interest.
- Add inexpensive items like tea or cocoa packets into the pockets to make the card extra special without spending much.
