

White-on-White Shaker Card with Hummingbird Die

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CELEBRATING 1 MILLION VIEWS - 13 DE MAYO DE 2022

SOBRE ESTE PROYECTO

A clean and elegant shaker card featuring a delicate hummingbird die-cut with a frosted vellum window. Soft watercolour washes behind the aperture create a subtle hue, and pale sequins move gently inside the shaker element for a sophisticated, understated effect.

CONSEJOS DEL PROGRAMA

- Use foam on a roll rather than individual pads if you are filling your shaker with glitter, to prevent seeping.
- Be carefree when applying watercolour washes to the back as they will not be clearly visible through the frosted vellum.
- Do not overload the shaker with sequins; a few pale ones will catch the light beautifully.
