PASO 5 DE 7

Add die-cut holly and berry greenery around the flowers on the gift box. Distress the edges of the greenery with ink to hide any white edges and create a more natural look.

[VER ESTE PASO - 1:10:30](#)

PASO 6 DE 7

Apply colourless glitter to the white flower centres using a glue pen to create an icy sparkle effect.

[VER ESTE PASO - 1:11:00](#)

PASO 7 DE 7

Arrange all the decorative elements on top of the box, positioning the pine cone, flowers, ribbon bow and foliage so they create visual interest and all elements are visible. Use a glue gun to secure everything in place.

CONSEJOS DEL PROGRAMA

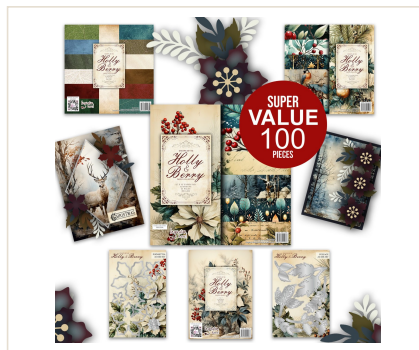

- Don't be stingy with ribbon—use longer pieces to create fuller bows.
- Distress the edges of greenery with ink to avoid white showing through.
- The colorless glitter catches light beautifully without adding colour to the design.
