

Watercolour Sunray Background Card with Die-Cut Border

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT EXCLUSIVE - 31 DE MARZO DE 2022

SOBRE ESTE PROYECTO

Create an abstract watercolour background using the Sunray die as a stencil, then layer it onto a card with a die-cut border. The technique produces a soft, artistic effect with the die creating both a stencilled background and a painted focal point.

[VER ESTE PASO - 20:30](#)**CONSEJOS DEL PROGRAMA**

- Watercolour card gives a better bleed effect than chalky card stock, which drinks ink too quickly.
- White spaces in your design create light and shade, giving the card a more creative appearance.
- Spray card stock lightly with water before die-cutting to help it cut more easily, especially with cotton-content watercolour card.
