SOBRE ESTE PROYECTO

Create a vibrant, loose watercolour background by wet-spraying card and dropping in multiple colours, then stamp large floral designs on top. The blended colours create depth and interest whilst the stamped florals provide focal points.

CONSEJOS DEL PROGRAMA

- Keep colours apart to start with so they don't mix together too much.
- Don't overthink it—just go for it and don't overwork the design.
- If you don't like the edges, trim them down with a trimmer and the piece will look completely different.
