

Shaped Fairy Wing Card with Traditional Borders

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - ONE DAY SPECIAL - 3 DE OCTUBRE DE 2025

SOBRE ESTE PROYECTO

Create an elegant shaped card featuring a beautiful fairy illustration with delicate wings that are cut out to reveal layers beneath. Using traditional decorative border dies, you'll score and fold the card to add dimension, then layer patterned papers and fussy-cut elements to build a whimsical three-dimensional design in soft neutrals and golds.

CONSEJOS DEL PROGRAMA

- The traditional borders die has a chamfered edge detail with both thin and thicker lines, creating a classic elegant look.
- You don't have to fuss cut the fairy—you can use preprinted elements from your paper pad instead.
- The die works beautifully for creating shaped cards that stand out from standard rectangular designs.
