Rolled Edge Card with Layered Sentiments and Elephant Character

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CATCH UP WITH SIMON FOR MONDAY MADNESS IN THE HTCN...

SOBRE ESTE PROYECTO

A three-dimensional card featuring a rolled and peeled edge that reveals a repeating 'big thanks' sentiment stamped underneath. The design combines layered cardstock with stencilled balloon details and a hand-coloured elephant character holding a balloon, creating depth and visual interest.

Del programa: CATCH UP with Simon for MONDAY MADNESS in the HTCN studio broadcast 15th Nov 21
Mostrado: 15 de noviembre de 2021
El proyecto empieza: 18:00 desde el inicio del programa
En esta guía: 16 pasos

MÍRALO EN EL PROGRAMA

NECESITARÁS

- TampÓn De Tinta Versafine - Onyx Black - 300921C
- TampÓn De Tinta Pigmentada Izink 5 X 5CM - Rojo 060821X
- TampÓn De Tinta Izink a Base De Tinte 5 X 5CM - Reglisse 050821I

PASO A PASO

1

PASO 1 DE 16

Stamp the 'big thanks' sentiment repeatedly across a piece of cardstock using black ink and a stamping block, building outwards from the centre.

VER ESTE PASO - 19:00

2

PASO 2 DE 16

Stamp the 'big thanks' sentiment across the entire back of the card, ensuring enough coverage for when the edge is rolled back.

VER ESTE PASO - 20:30

3

PASO 3 DE 16

Prepare a separate piece of starry patterned cardstock as the front design layer.

VER ESTE PASO - 21:15

4

PASO 4 DE 16

Use the balloon stencil and red ink to create a stencilled balloon design across the back cardstock, taping the stencil in place to prevent movement.

VER ESTE PASO - 21:45

5

PASO 5 DE 16

Lightly tap red ink through the balloon stencil, then apply heavier circular motions to deepen the colour and create dimension.

VER ESTE PASO - 23:15

6

PASO 6 DE 16

Reposition the stencil down the card and continue the balloon design, aligning it with the previous stamps to create a continuous pattern.

VER ESTE PASO - 25:30

7

PASO 7 DE 16

Adhere the starry patterned cardstock to the back layer using double-sided tape along all edges.

VER ESTE PASO - 27:00

8

PASO 8 DE 16

Cut a horizontal line through the centre of the layered card using long scissors, using the star pattern as a guide to keep the line level.

VER ESTE PASO - 28:15

9

PASO 9 DE 16

Gently curl and tease the top half of the card upwards by hand, breaking the fibres to create a smooth rolled edge without creases.

VER ESTE PASO - 28:45

10

PASO 10 DE 16

Secure the rolled edge in place using red liner tape on the back of the card.

VER ESTE PASO - 29:30

11

PASO 11 DE 16

Apply double-sided tape around the entire edge and into the middle of the card, then position the 'big thanks' sentiment layer underneath.

VER ESTE PASO - 30:00

12

PASO 12 DE 16

Stamp the elephant with umbrella character onto cardstock using black ink, then colour it with grey, red, and black using watercolour techniques.

VER ESTE PASO - 31:15

13

PASO 13 DE 16

Die-cut the coloured elephant, then carefully cut away the umbrella portion using scissors to remove the unwanted element.

VER ESTE PASO - 35:30

14

PASO 14 DE 16

Glue a pre-coloured balloon into the elephant's trunk where the umbrella was removed, creating a seamless substitution.

VER ESTE PASO - 37:15

15

PASO 15 DE 16

Mount the elephant with balloon onto the card using foam pads, positioning it in the bottom corner.

VER ESTE PASO - 38:00

16

PASO 16 DE 16

Add a second elephant character with balloons to the top of the card using foam pads for additional dimension and visual interest.

VER ESTE PASO - 38:30

CONSEJOS DEL PROGRAMA

- You can use any stamp designs instead of balloons—flowers or shapes work equally well for this technique.
- If you don't have a ball tool, use your fingers to gently tease and curl the cardstock fibres to create the rolled edge effect.
- Stamping card is sufficient for quick watercolour techniques and is more cost-effective than dedicated watercolour paper.
