UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CATCH UP WITH THE CREATE TOGETHER CLUB - 27...

SOBRE ESTE PROYECTO

CONSEJOS DEL PROGRAMA

• It doesn't matter if you misstamp on the layered pieces because the matte and layer will hide any mistakes.
• You can use any shapes for this technique—hearts, circles, ovals or squares—as long as they have matte and layers.
• Wait until you've assembled the card together to decide which areas need additional colour or detail, as you'll see the full design once layered.
