Pull-Out Shirt Card with Layered Collar and Pocket

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE TOGETHER CLUB - 23 DE SEPTIEMBRE DE 2025

EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create a charming masculine card featuring a shirt design with a pull-out insert mechanism. The card showcases a folded collar detail in cream, a layered shirt effect in grey patterned paper, and a functional pocket on the front. This project uses paper layering, die-cutting, and clever construction techniques to create a unique interactive card perfect for Father's Day or men's occasions.

Pregúntale a Toni en nuestra web sobre cualquier proyecto, producto o técnica del programa.

PASO A PASO

PASO 1 DE 11

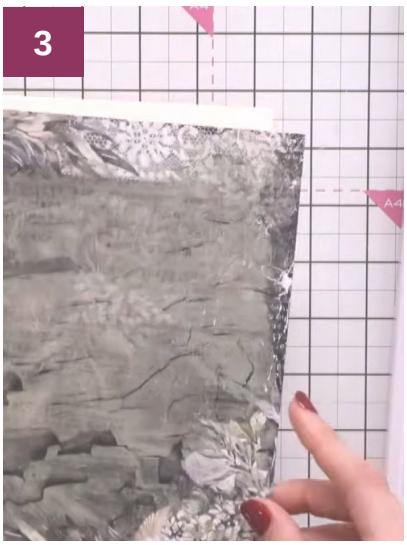
Select a piece of patterned or plain paper from your collection and cut it to 8 by 8 inches (20 x 20 cm).

VER ESTE PASO - 15:15

PASO 2 DE 11

Place your 8x8 inch decorative paper on the cutting mat with a plain piece of card on top. Using a ruler and scoring tool, score the paper 1 inch from each long edge to create fold lines for the shirt sides.

VER ESTE PASO - 17:00



PASO 3 DE 11

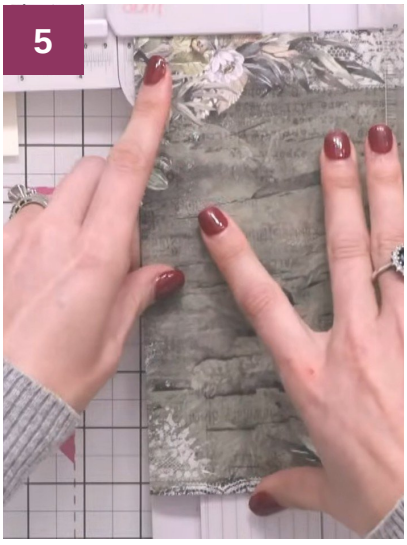
Fold the scored edges of the 8x8 card inward to create a shirt-like shape. The folded sides should be visible, forming the structure of the shirt with the decorative floral pattern showing on the edges.

VER ESTE PASO - 17:45

PASO 4 DE 11

Cut down the centre of the folded piece approximately 3 inches to create an opening for the collar.

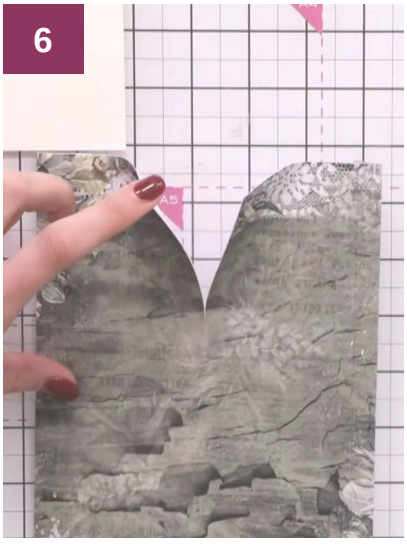
VER ESTE PASO - 18:30



PASO 5 DE 11

Fold the cut edges of the decorative paper back towards the centre to create the shirt collar effect. Press the folds firmly to create crisp creases.

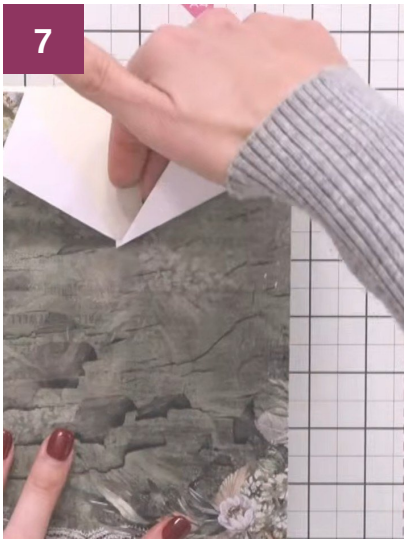
VER ESTE PASO - 19:00



PASO 6 DE 11

Adhere a contrasting patterned paper to the inside of the collar to add colour and detail. Position the decorative paper so the pattern shows when the collar is folded.

VER ESTE PASO - 20:15



PASO 7 DE 11

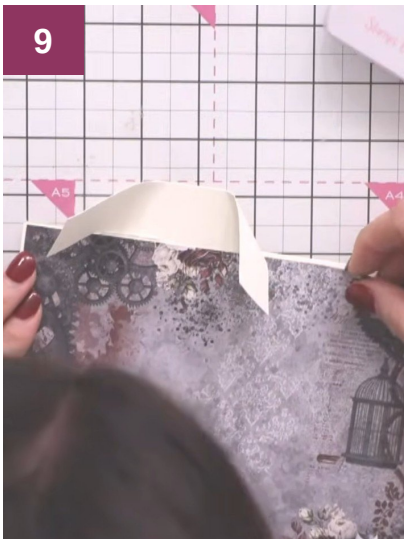
Position the white insert piece at the top of the shirt front. Secure the shirt front to your card blank using adhesive hinges along the bottom edge, allowing the insert to slide in and out freely.

VER ESTE PASO - 21:45

PASO 8 DE 11

Create a second layered shirt from contrasting patterned paper. Position this insert inside the first shirt opening so it can be pulled out to reveal the alternative design.

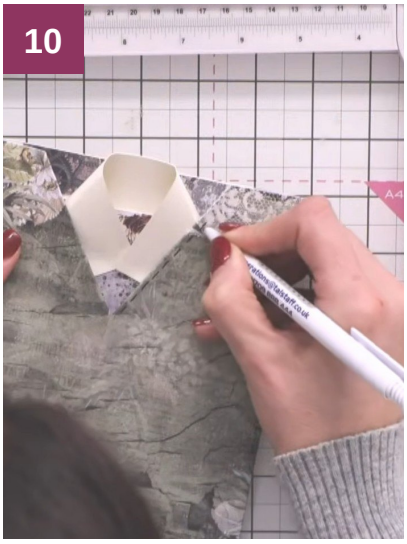
VER ESTE PASO - 25:00



PASO 9 DE 11

Create a small square pocket from coordinating patterned paper. Adhere the pocket flat to the front of the shirt, positioning it below the collar.

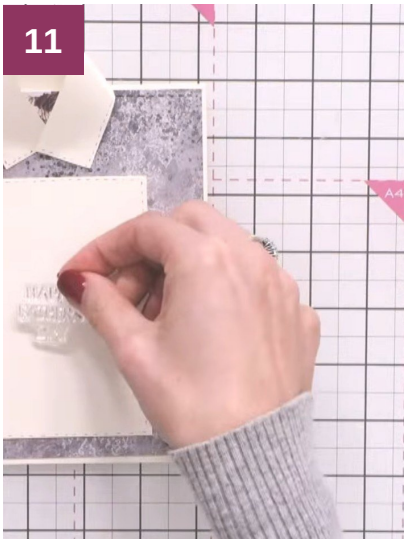
VER ESTE PASO - 29:30



PASO 10 DE 11

Add stitching detail around the collar and shirt edges using a pen or pencil and ruler. Draw lines to create a decorative stitched effect around the collar, pocket, and outer edges of the shirt.

VER ESTE PASO - 36:00



PASO 11 DE 11

Stamp a sentiment such as 'Happy Father's Day' onto the white pull-out insert using the Eureka 101 stamp plate. Position the stamped insert inside the shirt pocket.

VER ESTE PASO - 47:30

CONSEJOS DEL PROGRAMA

- If you don't have nesting dies with stitch details, you can draw stitch lines with a pen and ruler to enhance the shirt effect.
- You can create miniature versions of this card for weddings or other occasions.
- Consider cutting down the sides of the inner shirt layer slightly so it sits neatly on top of the outer shirt.
