

Teapot Lamination Card with Watercolour Effect

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - PRODUCT DEMONSTATION - 29 DE AGOSTO DE 2025

EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create a stunning card featuring a blue and white teapot stamp with a hand-painted watercolour appearance using lamination techniques. The elegant design is mounted on a dark grey mat and white card base, with the sentiment 'A cup of tea shared with a friend is happiness brewed to perfection' beneath the teapot. Multi-layered stamping creates fine china detail with soft colour blending and delicate shading for a sophisticated finish.

PASO A PASO

1

PASO 1 DE 9

Trim your white watercolour card to a smaller size to create a mini card format. Place the trimmed white card centrally onto the kraft card base.

[VER ESTE PASO - 22:00](#)

2

PASO 2 DE 9

Ink the solid teapot stamp with teal ink, tapping gently to ensure even coverage across the stamp surface.

[VER ESTE PASO - 24:30](#)

3

PASO 3 DE 9

Spray the inked stamp three times with water using a water spray bottle to create a wet, blendable surface on the watercolour paper.

[VER ESTE PASO - 25:45](#)

PASO 4 DE 9

Press the lamination stamp firmly onto the watercolour card and hold for a moment to ensure good contact.

[VER ESTE PASO - 26:00](#)

PASO 5 DE 9

Use a dry baby wipe to blot away excess water and puddles from the teapot image, whilst keeping the blue watercolour wet on the surface.

[VER ESTE PASO - 28:00](#)

PASO 6 DE 9

Align the detail stamp over the solid blue teapot image, using the packet as a guide to ensure proper placement of the decorative pattern.

[VER ESTE PASO - 29:45](#)

7

PASO 7 DE 9

Ink the detail stamp with the same teal colour. Stamp the image twice onto the teapot for better definition and depth.

[VER ESTE PASO - 31:00](#)

8

PASO 8 DE 9

Using a damp brush with a light grey or heather ink, paint a soft shadow underneath the teapot to ground the image. Apply the colour lightly to create a subtle watercolour effect.

[VER ESTE PASO - 36:15](#)

9

PASO 9 DE 9

Mount the finished stamped teapot panel onto a craft-coloured card blank to complete your card.

[VER ESTE PASO - 37:00](#)

CONSEJOS DEL PROGRAMA

- Watercolour card allows the ink to sit on the surface longer, giving you time to move colour around and create better blending than standard card stock.
- Spray the stamp multiple times with water; if it becomes too flooded, spray again with fewer spritzes to control the moisture.
- Use the packet as a visual guide to align your detail stamp perfectly over the solid base stamp.
