Embossed Fairy on Black Card with White Ink

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - HSN PRODUCT INSPIRATION - 25 DE AGOSTO DE 2026

EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create a striking embossed fairy card with dramatic contrast. Using black card stock and white ink, you'll produce an ethereal fairy image surrounded by a delicate floral wreath that appears to float against the dark background. The technique involves embossing and selective inking to highlight the raised details for a frosted, magical effect.

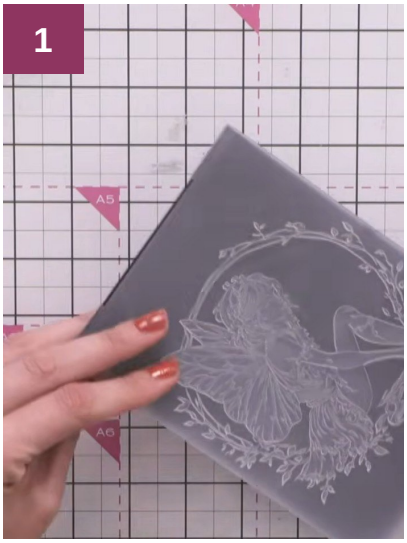
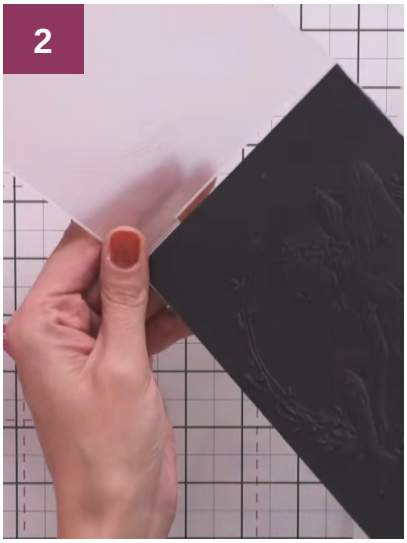
PASO A PASO



PASO 1 DE 8

Place a piece of black card stock into the embossing folder with the raised side of the design facing up.

VER ESTE PASO - 27:30



PASO 2 DE 8

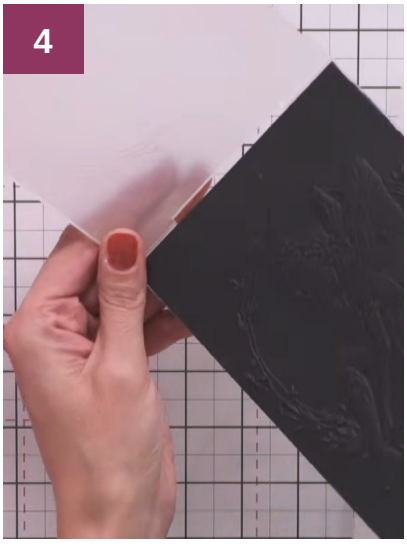
Place the black card with the embossing folder into your embossing machine. Run it through the machine to create the raised embossed design on the card.

VER ESTE PASO - 27:45

PASO 3 DE 8

Open the embossing folder and carefully remove your embossed black card, revealing the raised design.

VER ESTE PASO - 28:00



PASO 4 DE 8

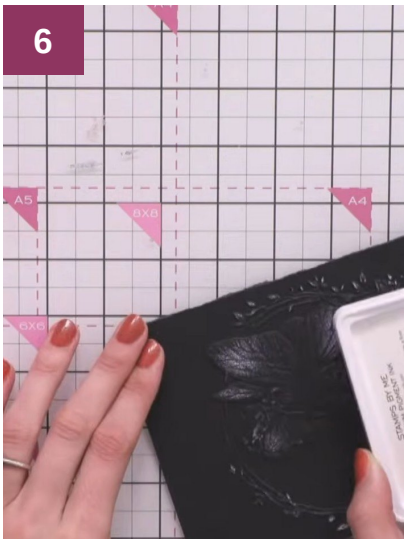
Tap a white pigment ink pad gently onto the embossed design on the black card, focusing on the fairy's body, wings, and facial features to highlight the raised details.

VER ESTE PASO - 28:15

PASO 5 DE 8

Apply white ink to the embossed image using the ink pad, ensuring you get ink into all the corners and details, particularly around the neck and shoulders of the fairy.

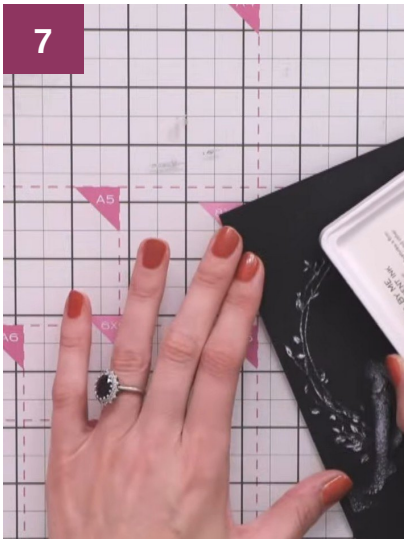
VER ESTE PASO - 28:45



PASO 6 DE 8

If you get any harsh white lines from the embossing, blend them out by gently dabbing with the white ink pad to soften the effect and create a more subtle finish.

VER ESTE PASO - 29:00



PASO 7 DE 8

Apply white ink to the fairy's wings using a stamp pad or ink applicator. Dab the ink gently over the embossed wing details to make them sparkle and stand out against the black card.

VER ESTE PASO - 29:15

PASO 8 DE 8

Allow the white embossing ink to dry completely before using or displaying your card. The finished piece shows a beautiful fairy image embossed in white on black card, surrounded by a delicate floral wreath.

VER ESTE PASO - 29:30

CONSEJOS DEL PROGRAMA

- You can use a pigment ink like white soot distress ink to help blend harsh lines.
- The embossing folder can be run through multiple times with different colours to add dimension.
