

Embossed Fairy on Patterned Paper with White Ink

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - HSN PRODUCT INSPIRATION - 25 DE AGOSTO DE 2026

SOBRE ESTE PROYECTO

Create an enchanting fairy card featuring an embossed fairy design layered onto atmospheric patterned paper. The mystical forest background with its glowing lights and ethereal tones provides the perfect setting for the delicate fairy figure, which is enhanced with white ink highlights. This technique combines heat embossing with selective inking to create depth and bring the magical scene to life.
