

Aurora Borealis Bear with Watercolour Fill and Stamp Detail

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - ONE DAY SPECIAL - 18 DE JULIO DE 2025

SOBRE ESTE PROYECTO

Create a magical Aurora Borealis bear card featuring a stunning watercolour-filled silhouette in blues, purples and pinks. Using stencils and stamps from the Woodland Wildlife collection, you'll build up layers of colour to mimic the Northern Lights, then add stamped tree and wildlife details inside the bear shape for a captivating night-sky scene. This project combines watercolour blending techniques with precision stamping to achieve a beautiful, ethereal effect.

Del programa: One Day Special

Mostrado: 18 de julio de 2025

El proyecto empieza: 29:15 into the show...

En esta guía: 9 pasos, todos con foto

PASO A PASO

1

PASO 1 DE 9

Place the bear stencil from the Woodland Wildlife set onto your A5 watercolour card. Position it where you want the bear to appear on your card.

[VER ESTE PASO - 29:30](#)

2

PASO 2 DE 9

Use a pencil to trace around the inside of the bear stencil to create an outline on your watercolour paper. Hold the stencil steady with your other hand whilst tracing.

[VER ESTE PASO - 30:00](#)

3

PASO 3 DE 9

Using a brush, paint clean water inside the bear outline on the watercolour paper, keeping the water within the pencil lines.

[VER ESTE PASO - 30:15](#)

PASO 4 DE 9

Drop teal ink into the wet area and allow it to spread naturally within the water. The ink will blend and create soft colour transitions as it moves through the dampened paper.

[VER ESTE PASO - 31:00](#)

PASO 5 DE 9

Using a paintbrush, add pink and purple dye inks to different areas of the wet bear silhouette. Allow the colours to blend and merge organically on the damp watercolour paper.

[VER ESTE PASO - 31:30](#)

PASO 6 DE 9

Use a dry brush to lift excess water and puddles from the blue watercolour area. Dab the brush bristles on tissue to dry them, then gently touch the wet areas to absorb the excess moisture.

[VER ESTE PASO - 32:30](#)

**PASO 7 DE 9**

Using a fine tip paintbrush, add darker blue ink (Indigo or Ocean) to the bear's feet and along the edges of the watercoloured areas to intensify the Aurora Borealis effect and add depth.

[VER ESTE PASO - 33:00](#)**PASO 8 DE 9**

Set the bear aside to dry completely before proceeding to the next step.

[VER ESTE PASO - 34:45](#)**PASO 9 DE 9**

Using the Woodland Wildlife stamp set and black ink, stamp tree images onto the lower portion of the bear silhouette to create a woodland scene within the legs. Allow the stamped images to dry completely.

[VER ESTE PASO - 1:02:00](#)

CONSEJOS DEL PROGRAMA

- Keep the water wet longer by working quickly and adding more water if needed.
- Do not try to blend watercolour completely; let the colours merge naturally.
- Use a smaller brush for detailed areas like the bear's legs and face.
