

Caja fácil con tapa ajustada

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE TOGETHER CLUB - 9 DE JUNIO DE 2025

SOBRE ESTE PROYECTO

Create a charming box with a fitted lid featuring a vintage floral design in soft pinks and creams. This elegant piece showcases a romantic teacup arrangement with roses and a delicate birdcage motif, perfect for presenting cards or small gifts. The project uses simple scoring and folding techniques to construct a professional-looking box with clean edges and a secure lid.

Del programa: Create Together Club

NECESITARÁS

- Create Together Club - Chapter 6 - 170325A

PASO A PASO

PASO 1 DE 12

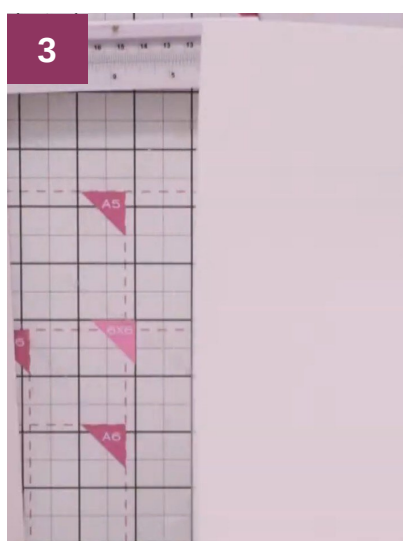

Measure your card base to determine the box dimensions. For a 5 by 7 inch card, add a quarter inch to each measurement to get your starting dimensions.

[VER ESTE PASO - 46:00](#)

**PASO 2 DE 12**

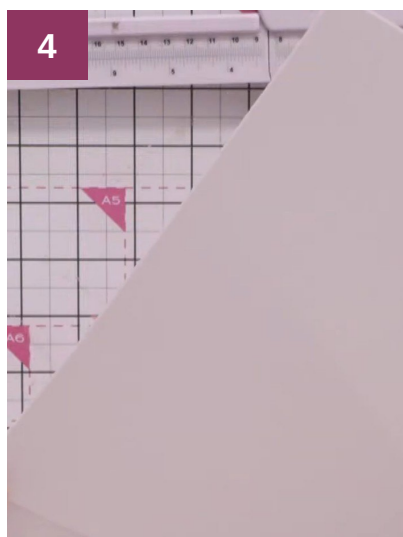

Cut two pieces of card stock to $5\frac{1}{4} \times 7\frac{1}{4}$ inches using your paper trimmer - one piece for the box base and one for the lid.

[VER ESTE PASO - 46:45](#)

**PASO 3 DE 12**

Add two inches to both the width and height measurements of your card piece to account for the box depth (one inch for each side).

[VER ESTE PASO - 47:30](#)

**PASO 4 DE 12**

Cut both pieces of white cardstock to $7\frac{1}{4} \times 9\frac{1}{4}$ inches (18.4 × 23.5 cm).

[VER ESTE PASO - 48:00](#)

5

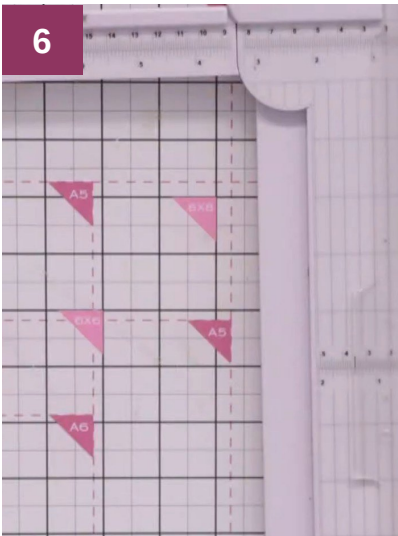

PASO 5 DE 12

Take one of the two pieces of card and trim approximately one millimetre off the long side only using your guillotine or trimmer.

[VER ESTE PASO - 49:00](#)

6

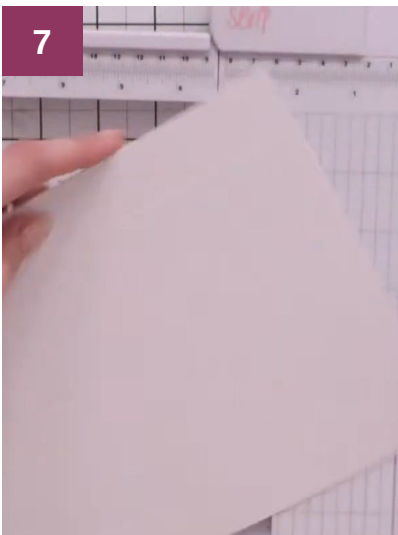

PASO 6 DE 12

Trim a slither off the short side only of the same piece. This creates the lid that will fit inside the base.

[VER ESTE PASO - 49:15](#)

7

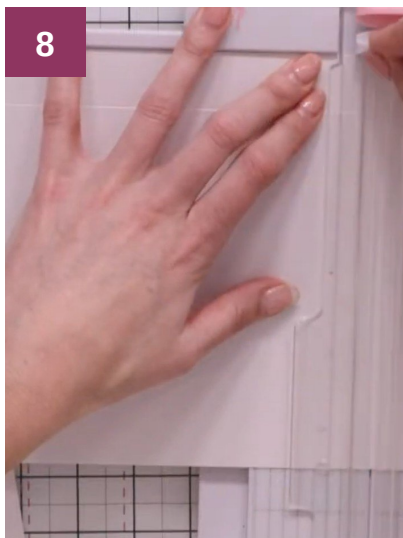

PASO 7 DE 12

Score all four sides of both card pieces at 1-inch intervals using your scoring tool and ruler. Ensure the score lines are evenly spaced across each piece.

[VER ESTE PASO - 50:15](#)

8

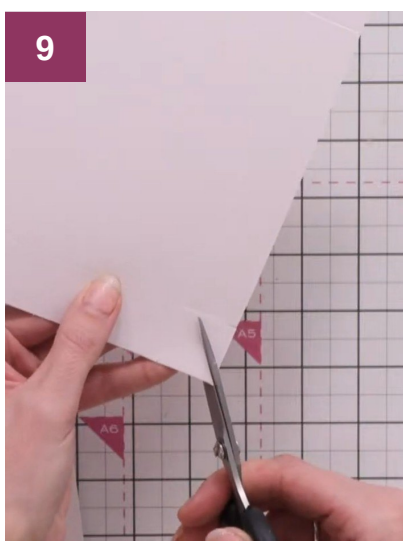

PASO 8 DE 12

Cut diagonally into the corners at the scored lines, stopping at the inner corner point where the score lines meet.

[VER ESTE PASO - 51:00](#)

9

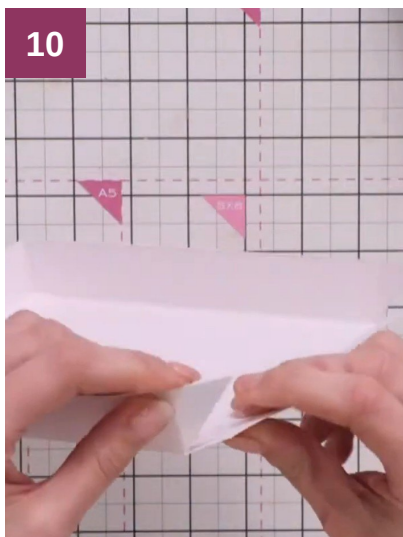

PASO 9 DE 12

Chamfer the cut corners by trimming them at an angle with scissors. This creates neat bevelled edges that will tuck in and glue cleanly when assembling the box.

[VER ESTE PASO - 52:00](#)

10

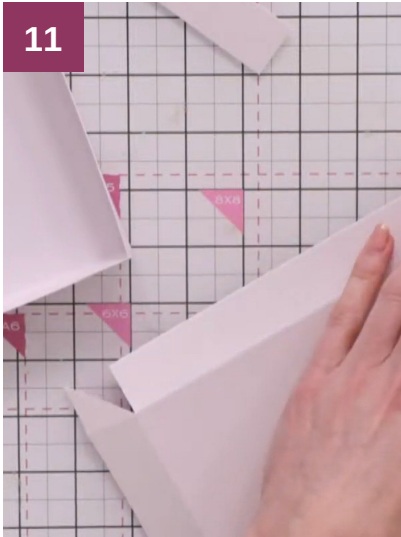

PASO 10 DE 12

Fold up all four sides of the box. Secure the interior flaps with tape to hold the sides in place.

[VER ESTE PASO - 54:30](#)

11

PASO 11 DE 12

Repeat the folding and assembly process with the second piece of card to create the matching lid for your box.

[VER ESTE PASO - 55:00](#)

12

PASO 12 DE 12

Test that the lid fits snugly inside the base. If needed, adjust the quarter-inch allowance to make the lid easier to remove and replace.

[VER ESTE PASO - 56:00](#)

CONSEJOS DEL PROGRAMA

- Use sturdy card stock for a nice, crisp edge on your finished box.
- Only trim one millimetre off two sides (not all four) of the lid piece to ensure it fits snugly without being too loose.
- The quarter-inch allowance in the base dimensions allows someone to insert their finger to remove the card or gift from inside the box.
