Vellum Slider Pocket Wallet with Layered Insert

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE TOGETHER CLUB - 5 DE JUNIO DE 2025

EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create an elegant vellum slider pocket wallet with a beautiful layered insert. This sophisticated project features a transparent vellum envelope that showcases decorative vintage-style imagery in soft pinks and florals, creating a luxurious window effect. You'll learn techniques for working with vellum, creating slider mechanisms, and layering decorative elements to make a stunning keepsake or gift holder.

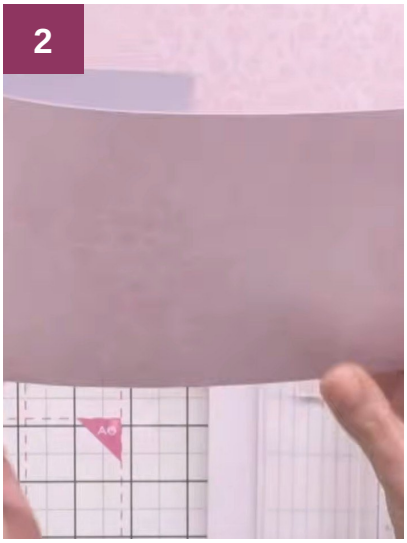
PASO A PASO

PASO 1 DE 14

Take a 12 by 12 inch sheet of paper and score it at 4 inches and 8 inches to create three equal panels.

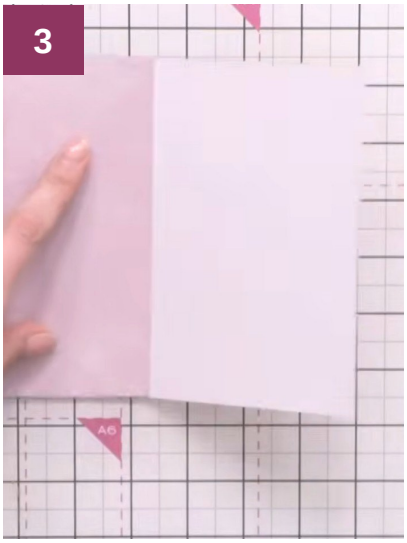
VER ESTE PASO - 16:30



PASO 2 DE 14

Cut the scored sheet in half horizontally along the centre score line to create two separate pieces.

VER ESTE PASO - 17:30



PASO 3 DE 14

Trim small slivers from the folded edges of the vellum panels to prevent bulking when they fold over one another.

VER ESTE PASO - 18:00

PASO 4 DE 14

Arrange the floral patterned panels and plain pink panels in a stacked formation, creating layered pockets at different depths. Thread white ribbon through the eyelets to connect the tags and panels together.

VER ESTE PASO - 20:00

PASO 5 DE 14

Use black ink to edge the pocket openings on the floral patterned piece. This will define the openings and prevent them from blending into the background.

VER ESTE PASO - 24:45

PASO 6 DE 14

Use a tape pen to apply adhesive to the back of the decorative floral paper strips. Position and press them into the pockets as inserts, ensuring they sit neatly within each pocket opening.

VER ESTE PASO - 26:00

PASO 7 DE 14

Fussy cut decorative embellishments from the patterned papers in the collection. Slot the cut-out images into the pockets as fillers to add visual interest.

VER ESTE PASO - 27:30

PASO 8 DE 14

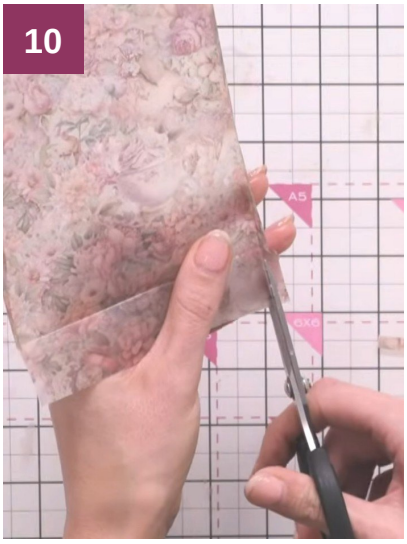
Measure and score the vellum at half-centimetre intervals down each side to create fold lines for the envelope pocket.

VER ESTE PASO - 38:45

PASO 9 DE 14

Score the vellum at the bottom edge to create a flap. Cut a backing piece from patterned paper to fit the scored section.

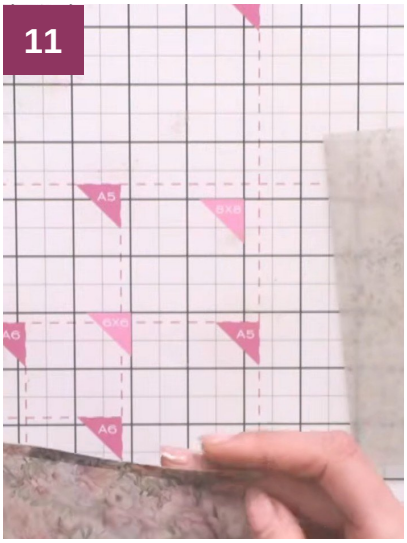
VER ESTE PASO - 41:30



PASO 10 DE 14

Use scissors to trim away the bulk from the bottom corners of the vellum backing. This reduces thickness at the fold for a neater finish.

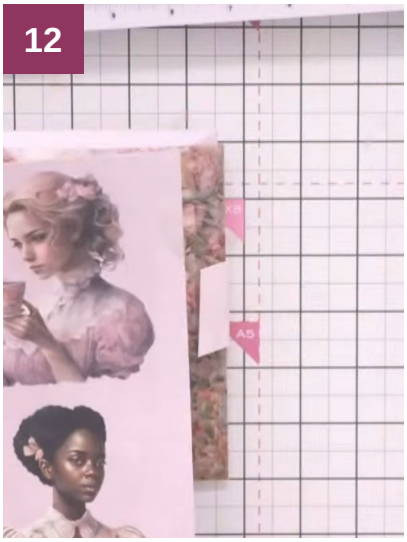
VER ESTE PASO - 44:00



PASO 11 DE 14

Attach the vellum backing piece to the scored vellum envelope using the tape pen. Apply the adhesive along the edges to secure the pieces together.

VER ESTE PASO - 45:00

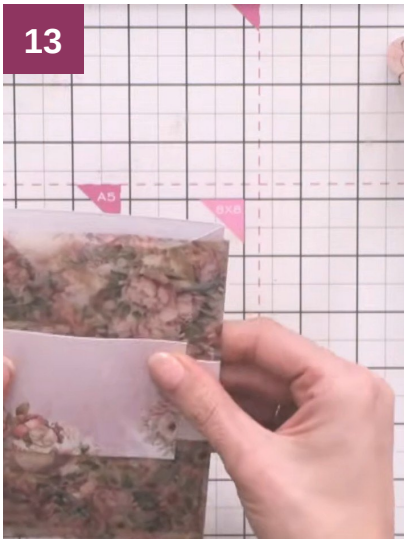


PASO 12 DE 14

Wrap a decorative paper strip around the front of the vellum wallet as a belly band to hold it closed.

VER ESTE PASO - 50:15

13

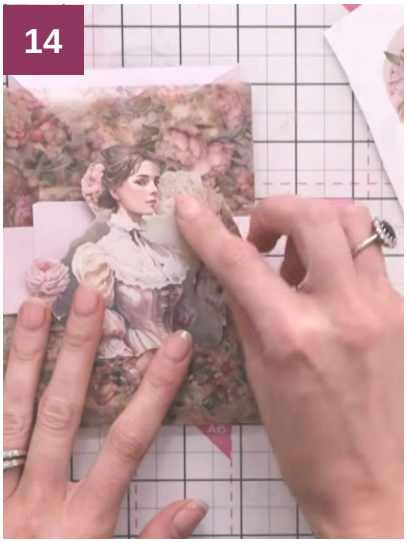


PASO 13 DE 14

Fussy cut a decorative element from the patterned paper and layer it onto a small grey paper panel. Adhere the layered piece to the centre of the vellum belly band.

VER ESTE PASO - 52:30

14



PASO 14 DE 14

Add a washi tape sentiment to the bottom of the wallet to complete the design.

VER ESTE PASO - 54:30

CONSEJOS DEL PROGRAMA

- Use tape pen to glue vellum as it doesn't show through like regular glue.
- Don't use regular glue on vellum as it becomes messy and visible through the transparent material.
- Always measure your insert before sealing the vellum wallet to ensure it slides in and out smoothly.
