Add a coordinating sentiment such as 'Cheers', 'Grateful' or 'Prost' to complete your card. Position the sentiment stamp below or beside the bottles to finish the design.

CONSEJOS DEL PROGRAMA

• If you do the embossing folder the wrong way round, it won't fit properly—turn it over and line up the ridges carefully.
• You can create different drinks by changing the ink colours—try brown tones for ginger beer or other shades for different beverages.
