Tarjeta con embossing y bordes entintados

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - IDEAL WORLD - 2 DE ABRIL DE 2025

SOBRE ESTE PROYECTO

Make a sophisticated embossed card with inked edges using quality white card stock. The card features an elegant floral embossed pattern enhanced with soft pink ink applied to the raised edges. Sanding reveals the white core of the card stock, creating beautiful contrast and dimension.

PASO A PASO

1

PASO 1 DE 7

Select a piece of coloured card stock from the vintage paper collection. Choose your desired colour from the collection.

VER ESTE PASO - 48:30

2

PASO 2 DE 7

Run the card stock through an embossing folder using a die-cutting machine to create a raised embossed design on the surface.

VER ESTE PASO - 48:45

3

PASO 3 DE 7

Ink up a white ink pad by tapping it with the ink applicator to load it with white ink.

VER ESTE PASO - 50:15

4

PASO 4 DE 7

Apply white ink around one corner of the embossed card using a dabbing motion, creating a soft halo effect around the embossed design.

VER ESTE PASO - 50:30

5

PASO 5 DE 7

Go over the previously inked area again with the white ink pad to deepen the halo effect and create layered colour around the embossed design.

VER ESTE PASO - 51:00

6

PASO 6 DE 7

If desired, apply a darker ink colour over the white ink to create a purplish-white halo effect, adding extra dimension to your embossed design.

VER ESTE PASO - 52:00

7

PASO 7 DE 7

If desired, sand the edges of your card with a sanding block to reveal the white core of the card stock for added contrast and a distressed finish.

VER ESTE PASO - 52:30

CONSEJOS DEL PROGRAMA

- The card stock has a white core that shows beautifully when sanded, adding extra visual interest.
- Don't worry about mistakes—it's just a piece of card; you can bin it and start again.
- The quality of the card stock means it won't crack when embossed and carries ink beautifully.
