Using a tape pen, adhere the vellum sheet to one side of the pink card base. Apply the adhesive carefully along the edges to secure the vellum in place.

PASO 5 DE 7

Stamp a sentiment onto the vellum card using black ink. Position the sentiment along the edge or in a corner of the card where it will be visible through the vellum.

PASO 6 DE 7

Adhere a decorative topper (such as a vintage girl image) to the front of the card using foam pads for dimension. Position the topper centrally on the vellum panel.

PASO 7 DE 7

Layer additional vellum pieces on top of the base card for extra visual interest. Position the decorative strawberry and floral vellum panel on the left side of the card. Add a plain vellum panel on the right to balance the design.

CONSEJOS DEL PROGRAMA

- You can keep the card totally flat if you prefer, without foam pads.
- Don't be afraid to position sentiments at angles rather than straight for a quirky look.
- Vellum shows transparency beautifully, so layer it over different coloured cardstock to change the effect.
