2

PASO 2 DE 15

Using a darker alcohol marker, lightly outline and shade the girl's features, focusing on areas like the cheeks, lips, and nose to add definition and depth.

[VER ESTE PASO - 36:30](#)

3

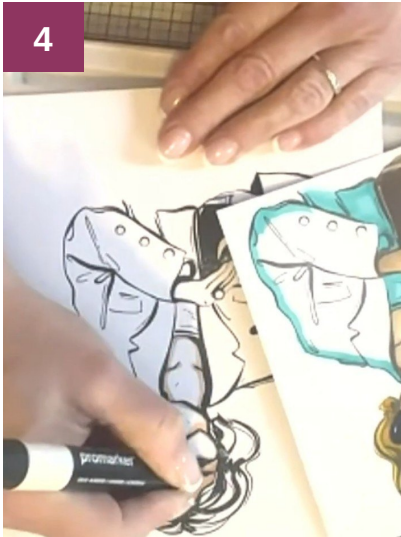

PASO 3 DE 15

Apply a peachy alcohol marker under the cheekbones of the character. Layer your skin tone over the top using the other end of the marker to blend and create natural shadows.

[VER ESTE PASO - 37:00](#)

4

PASO 4 DE 15

Use darker markers to add depth and dimension to the face, accentuating key features such as the eyes, nose and mouth. Work carefully to enhance the facial details and bring the character to life.

[VER ESTE PASO - 37:45](#)

5

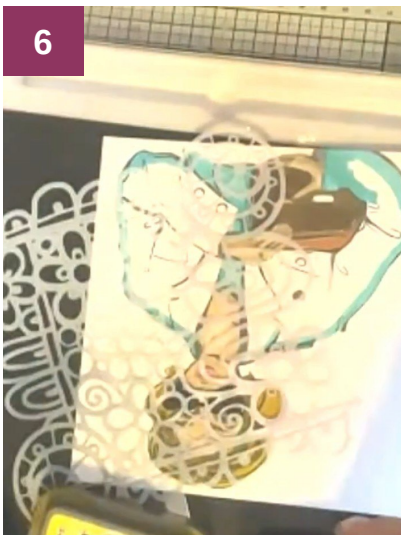

PASO 5 DE 15

Use a white gel pen to add highlights to the eyes and other features. Then use a black pen to define the eyes and add detail, creating more texture and dimension to the character's face.

[VER ESTE PASO - 38:15](#)

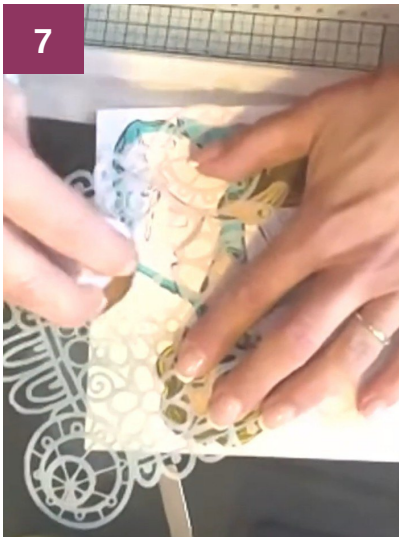

6

PASO 6 DE 15

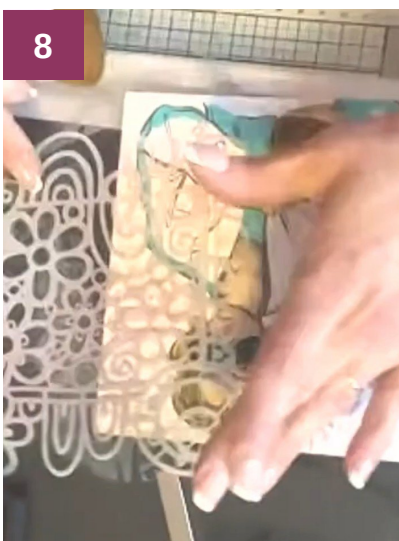

Use teal alcohol marker to colour the girl's clothing and accessories. Add colour to her top, trousers, and sunglasses to complete the character.

[VER ESTE PASO - 39:15](#)

PASO 7 DE 15

Stamp the girl image onto decorative patterned paper that coordinates with your background. Colour around the edges of the stamped image with matching markers to blend with the paper pattern, ready for fussy cutting.

[VER ESTE PASO - 39:45](#)

PASO 8 DE 15

Take a large card base and begin building the background by layering decorative paper panels at angles around the sides. Position the panels to create texture and visual interest across the card front.

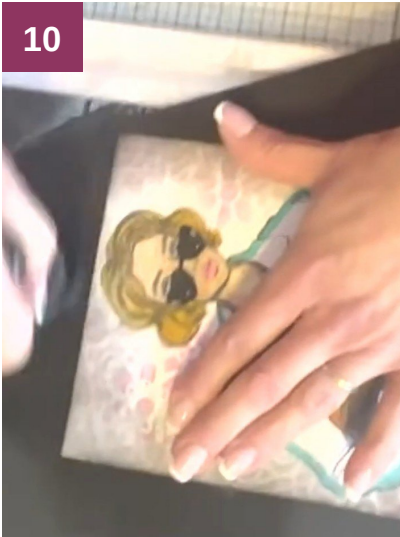

[VER ESTE PASO - 40:30](#)

PASO 9 DE 15

Use a stencil and distress ink in salvage patina to add colour around the edges of your background panels. Apply the ink lightly around the borders to create subtle shading.

[VER ESTE PASO - 41:00](#)

10

PASO 10 DE 15

Layer pink distress ink over the stenciled background, slightly overlapping the previous colour to build depth and dimension.

[VER ESTE PASO - 41:30](#)

11

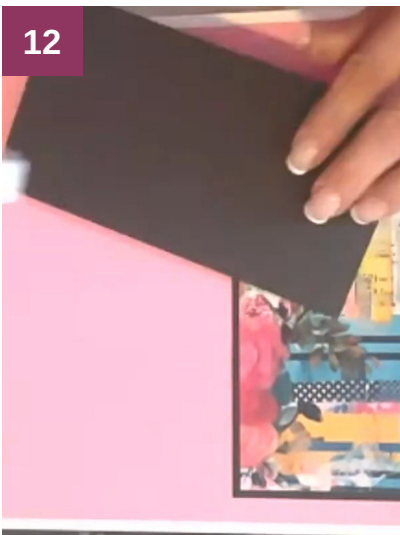

PASO 11 DE 15

Using the same stencil, apply teal distress ink to the background to continue building up a multi-coloured, textured effect.

[VER ESTE PASO - 42:00](#)

12

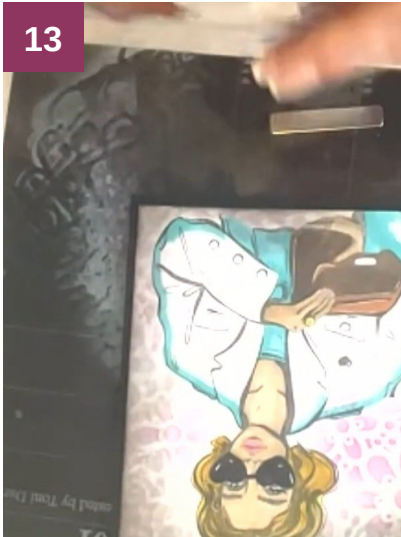

PASO 12 DE 15

Frame the entire background with black distress ink, applying it lightly around all the edges to pull the design together and add definition.

[VER ESTE PASO - 42:30](#)

13

PASO 13 DE 15

Mat the coloured girl image onto black card. This creates a border that makes the image pop against the patterned background.

[VER ESTE PASO - 43:30](#)

14

PASO 14 DE 15

Adhere the matted girl image to the centre of the layered background using foam pads for dimension.

[VER ESTE PASO - 44:00](#)

15

PASO 15 DE 15

Add a sentiment such as 'Hello beautiful' to the card. Frame the sentiment lightly with black ink to tie the design together.
