SOBRE ESTE PROYECTO

Create a beautiful 11x11 envelope from standard 12x12 patterned paper, perfect for larger handmade cards or as a decorative wallet insert. This project features soft pink watercolour florals with text overlay, and uses simple scoring and folding techniques to transform a square sheet into a functional envelope. The finished piece is both practical and pretty, making it ideal for special occasions or as part of a mini album.

CONSEJOS DEL PROGRAMA

- This larger envelope size works well for 6x8 and A2 inch cards.
- You can use double-sided paper to create envelopes with colour on both the inside and outside.
- Make multiple envelopes in different sizes using your existing paper stash to avoid waste.
