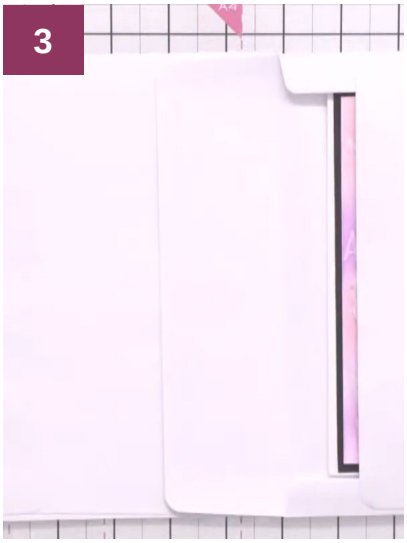
VER ESTE PASO - 45:15

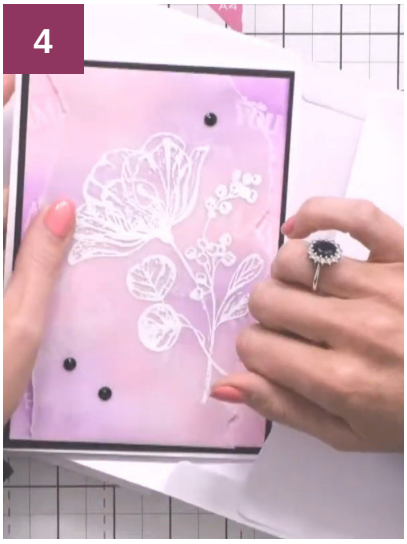
3



PASO 3 DE 12

Take another white card blank and fold it to create an additional pocket page. The folded card creates an instant pocket with the envelope flap providing space for inserting cards or photos.

VER ESTE PASO - 45:30



PASO 4 DE 12

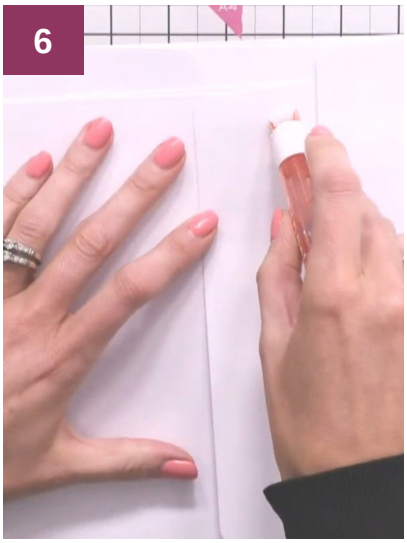
Take a third envelope and tape the flap down to create an instant pocket. This page will hinge in the opposite direction to accommodate a card or family photo.

VER ESTE PASO - 46:00

PASO 5 DE 12

Add another envelope to create a second page. Alternate the direction so this envelope opens from the opposite side to the first one.

VER ESTE PASO - 46:30

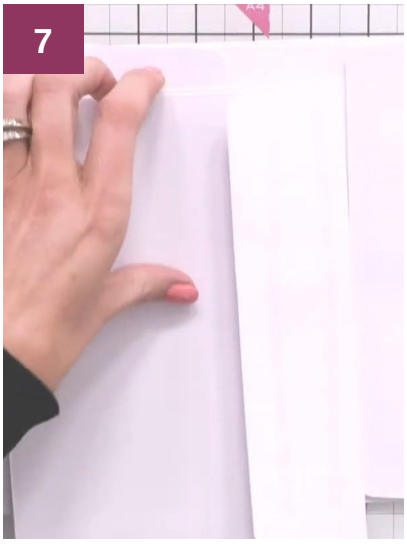


PASO 6 DE 12

Cut decorative paper to cover the spine and centre of your album to hide the tape joins. Use the decorative paper from your bundle to create a neat finish over the taped areas.

VER ESTE PASO - 47:00

7

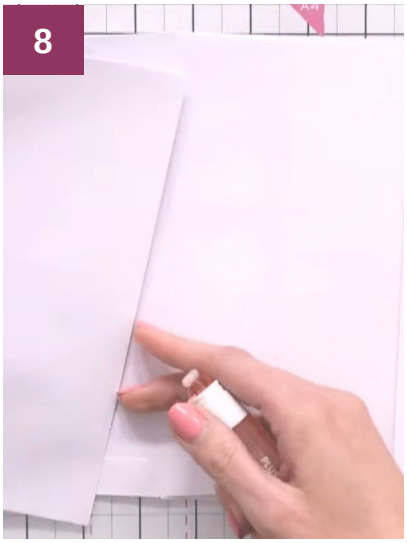


PASO 7 DE 12

Smooth the decorative paper down the centre of the card to ensure it is firmly adhered and creates a neat, finished look.

VER ESTE PASO - 47:30

8



PASO 8 DE 12

Cut corner triangles from contrasting paper and glue them to the inside pages to create additional pockets. Position the triangles at the corners and secure with adhesive.

VER ESTE PASO - 48:00

9

PASO 9 DE 12

Secure your decorative topper or embellishment to the front cover of the album using tape pens or adhesive.

VER ESTE PASO - 48:30

10

PASO 10 DE 12

Create a belly band by placing two strips of off-cut decorative paper end to end and joining them together with tape on the reverse to form one long strip.

VER ESTE PASO - 49:00

11

PASO 11 DE 12

Wrap the belly band around the closed album to hold it together.

VER ESTE PASO - 49:30

12

PASO 12 DE 12

Glue a decorative topper onto the belly band to finish the album. Position the topper centrally to cover the gap where the belly band meets.

VER ESTE PASO - 50:00

CONSEJOS DEL PROGRAMA

- Only add the belly band after you have finished filling the inside, so you can still open the pages fully.
- Use off-cut pieces from trimming your decorative paper to create the belly band and save waste.
- You can cut envelopes diagonally to create triangular pockets for the inside pages.
