UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MY PODCAST - 3 DE FEBRERO DE 2025

SOBRE ESTE PROYECTO

Create a stunning slimline card featuring beautiful decorative tile stamps in vibrant ombre colours. This project combines tropical leaf and geometric patterns stamped across rainbow gradient panels, finished with a dandelion motif and 'AMAZING' sentiment. The main techniques include stamping with layered patterns and working with ombre ink blends to achieve a striking multi-coloured effect.

CONSEJOS DEL PROGRAMA

- You can create an ombre effect by stamping the same tile multiple times in slightly different positions.
- The tiles work well on both smooth card stock and watercolour card.
