

Vellum Wrap Card with Embossed Detail

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MIGHTY MONDAY - 3 DE FEBRERO DE 2025

SOBRE ESTE PROYECTO

Create an elegant card featuring a scenic background wrapped in translucent vellum with embossed corner details. The vellum overlay creates a sophisticated see-through effect in soft greens and natural tones, allowing the beautiful landscape underneath to show through. This project uses simple wrapping and embossing techniques to achieve a professional, layered finish.

PASO A PASO

1

PASO 1 DE 10

Select a piece of patterned vellum from your collection. Choose one with a light area so you can see detail underneath when layering.

2

PASO 2 DE 10

Select a piece of patterned paper from your collection to use as your card base. The paper shown features a peaceful landscape scene with greenery and foliage.

[VER ESTE PASO - 6:45](#)

3

PASO 3 DE 10

Cut your vellum to the same size as your card base using a mini trimmer for precision. Align the vellum carefully and trim to create a neat edge.

[VER ESTE PASO - 7:30](#)

PASO 4 DE 10

Take one of the remaining vellum pieces and fold it in half to create a small decorative card from the offcut. The embossed White Rose design should be visible on the front.

[VER ESTE PASO - 8:15](#)

PASO 5 DE 10

Position your vellum piece as a wrap around the front of the card base. Allow the vellum to extend slightly around the back edge to secure it in place.

[VER ESTE PASO - 10:45](#)

PASO 6 DE 10

Trim the vellum on the back of the card to approximately one inch depth. This creates an intentional wrapped look rather than appearing accidental.

[VER ESTE PASO - 11:15](#)

PASO 7 DE 10

Run the corner of the vellum through an embossing folder to add a delicate embossed detail, such as a rose, to the corner.

[VER ESTE PASO - 12:45](#)

PASO 8 DE 10

Secure the vellum wrap to the back of the card using double-sided tape. Position the tape along the hinge area where the vellum overlaps the card base.

[VER ESTE PASO - 14:00](#)

PASO 9 DE 10

Stamp a sentiment onto white card stock. Trim the stamped sentiment to size using your paper trimmer.

[VER ESTE PASO - 16:00](#)

10

PASO 10 DE 10

Adhere your sentiment panel to the front of the card, positioning it so it shows through the vellum overlay. Press firmly to ensure a good crease and secure adhesion.

CONSEJOS DEL PROGRAMA

- You don't need patterned vellum; plain vellum works equally well and may show the background more clearly.
- Make sure to give the vellum wrap a good crease down the back so it sits flat against the card.
- If you want the front to stay completely flat, glue the vellum directly to the card before adding your sentiment on top.
