

Tarjeta floral con hot foil pintada con acuarela

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - ONE DAY SPECIAL - 10 DE ENERO DE 2025

SOBRE ESTE PROYECTO

Create an elegant card featuring a beautiful hot foiled flower with delicate petals and leaves, hand-painted in soft pink and cream watercolours on a grey background. The gold foil outlines act as a resist whilst you paint, creating a stunning vintage-style floral design with the sentiment 'I am so proud of you'. This project combines hot foiling and watercolouring techniques to achieve a sophisticated, layered finish.

Del programa: One Day Special

Mostrado: 10 de enero de 2025

El proyecto empieza: 29:15 into the show...

En esta guía: 11 pasos, todos con foto

PASO A PASO

PASO 1 DE 11

Cut out a large flower design from the hot foiled colouring book, leaving a small border around the edge of the gold foiled outline.

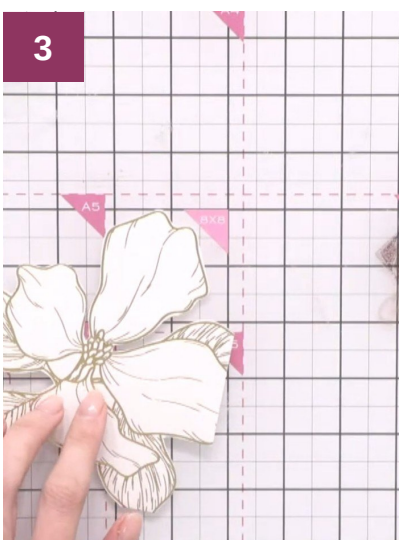

[VER ESTE PASO - 29:15](#)

PASO 2 DE 11

Prepare your watercolour palette with a light colour such as Heather. Dampen your brush with clean water ready for painting.

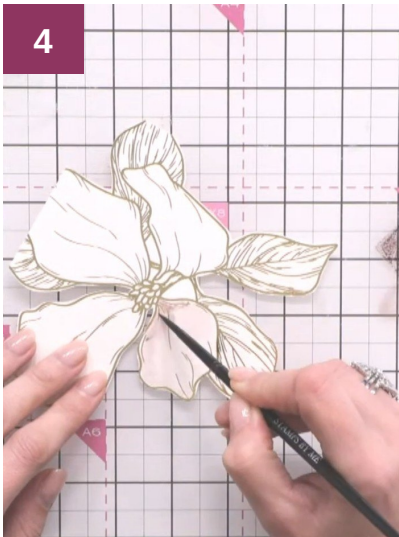

[VER ESTE PASO - 32:00](#)

PASO 3 DE 11

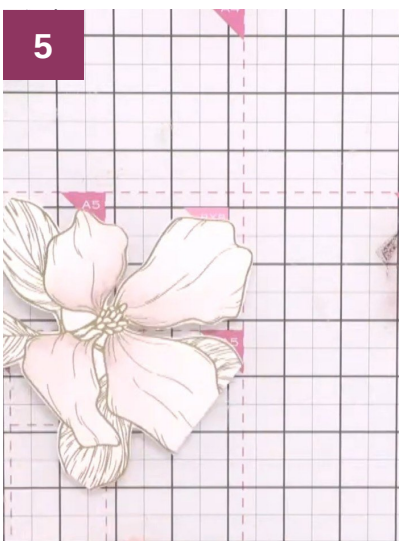

Apply a very light wash of colour to one petal using your paintbrush. Start at the centre of the petal and work outward with gentle strokes.

[VER ESTE PASO - 32:30](#)

PASO 4 DE 11

Use a clean, damp brush to drag the colour outward from the centre of each petal, creating a soft gradient effect. Work from the darker centre towards the lighter edges, cleaning your brush between strokes.

[VER ESTE PASO - 33:00](#)

PASO 5 DE 11

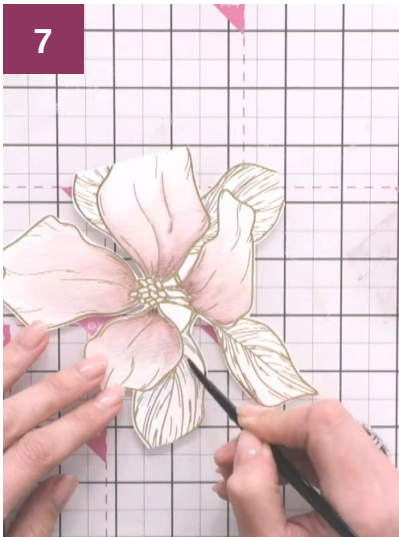

Apply a second layer of the same pink watercolour to the petals, using slightly darker tones to build depth and dimension. Focus on adding the darker colour to create shading and form in the flower.

[VER ESTE PASO - 36:00](#)

PASO 6 DE 11

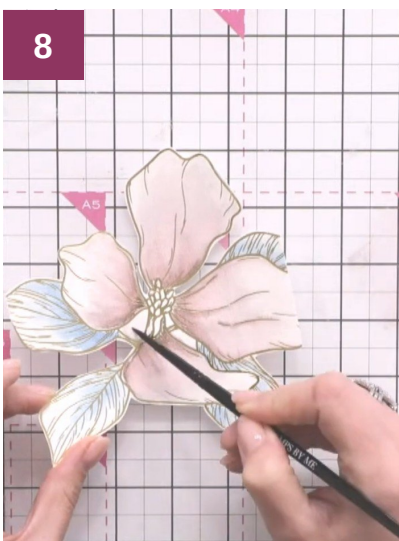

Mix two complementary ink colours together, such as Ocean and Tiffany, to create a custom shade that coordinates with your background paper. Use a brush or blending tool to combine the colours on your craft mat.

[VER ESTE PASO - 41:30](#)

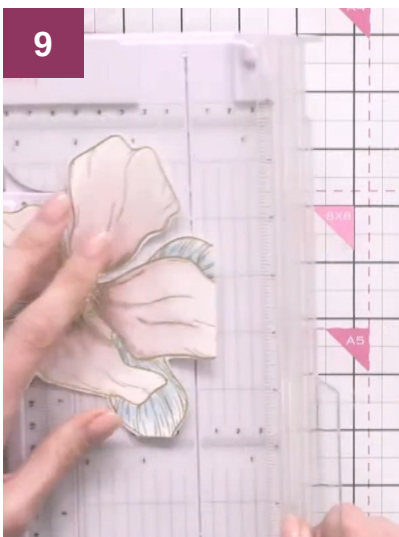

PASO 7 DE 11

Paint the leaves with the mixed light colour, keeping the edges cream to avoid clashing with the pink background.

[VER ESTE PASO - 42:00](#)

PASO 8 DE 11

Apply a very light wash of colour to the centre of the flower petals using a brush and water to soften any harsh white areas and create a gentle gradient.

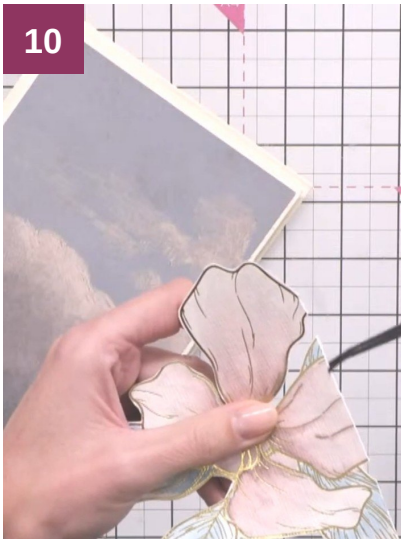

[VER ESTE PASO - 45:30](#)

PASO 9 DE 11

Trim the painted flower piece to remove any harsh white lines created by cutting. Use scissors or a craft knife to carefully trim around the edges of the foiled flower design.

[VER ESTE PASO - 51:15](#)

10

PASO 10 DE 11

Mount the coloured flower onto a cream matted layer using adhesive. Layer this onto your coordinating background paper to complete the card front.

[VER ESTE PASO - 52:00](#)

11

PASO 11 DE 11

Add a sentiment from the back of the colouring book, such as 'I am so proud of you', using double-sided tape or foam pads to secure it to the card front.

[VER ESTE PASO - 55:30](#)

CONSEJOS DEL PROGRAMA

- Watercolour dries two or three shades lighter than it appears when wet, so apply colour very lightly.
- Because the card is watercolour card stock, you can move and manipulate the colour even after application.
- You can cut out multiple designs from the same book and layer them or use them on different cards for variety.
