PASO A PASO

1

PASO 1 DE 14

Take your card blank and position it in landscape orientation on your craft mat.

[VER ESTE PASO - 39:15](#)

2

PASO 2 DE 14

Position the circle stencil high up in the centre of the white card panel.

[VER ESTE PASO - 39:30](#)

3

PASO 3 DE 14

Place scrap paper at the bottom of your white card panel to protect it from ink spillage during stencilling.

[VER ESTE PASO - 39:45](#)

4

PASO 4 DE 14

Apply pink ink to a blending brush and dab the colour inside the stylized circle stencil, following the design lines to build up the pink tones.

[VER ESTE PASO - 40:00](#)

5

PASO 5 DE 14

Add touches of orange ink through the circle stencil in some areas, not covering the entire design. Use a blending tool to apply the colour lightly.

[VER ESTE PASO - 40:30](#)

6

PASO 6 DE 14

Add teal ink to the stencil design, dabbing it selectively onto the pink and purple areas to create depth and variation rather than applying it uniformly across the circle.

7

PASO 7 DE 14

Create a puddle of water on your hand and flick it onto the inked stencil circle to blend the pink and purple colours together.

[VER ESTE PASO - 43:15](#)

8

PASO 8 DE 14

Use a tissue to dab up excess water from the stamped image. This will lift some of the ink to create texture and dimension in your watercolour effect.

[VER ESTE PASO - 43:30](#)

9

PASO 9 DE 14

Allow the card to dry completely. You can use a heat tool to speed up the drying process if desired.

[VER ESTE PASO - 44:00](#)

10

PASO 10 DE 14

Ink up the full dance crew stamp with black ink using your ink pad.

[VER ESTE PASO - 46:30](#)

11

PASO 11 DE 14

Stamp the dance crew silhouettes from the Friends Forever stamp set half on and half off the left edge of the card for a dynamic landscape composition. Position the figures so they overlap slightly with the watercolour circle.

[VER ESTE PASO - 48:00](#)

12

PASO 12 DE 14

Add a sentiment from the stamp set, positioning it below the dance crew silhouettes to complement the design. The sentiment shown reads 'Don't let nobody's to all change'.

[VER ESTE PASO - 50:00](#)

13

PASO 13 DE 14

Optional: Apply gold glitter glue in a halo around the stamped dancers, avoiding the black ink. This adds a subtle shimmer to highlight the design.

[VER ESTE PASO - 50:45](#)

14

PASO 14 DE 14

If desired, add white gel pen or sparkle pen details to enhance the dancers and add highlights to the watercolour circle, being careful not to obscure the design.

CONSEJOS DEL PROGRAMA

- Don't worry if the blended ink looks messy at first—the water will lift and blend it beautifully.
- Protect your card base with scrap paper when using water to prevent ink bleeding onto unwanted areas.
- The reflection stamp's jaded effect is built in, so you'll see it naturally when you stamp.
