

Great Outdoors Wolf Mask Stencil Card

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - HSN PRODUCT INSPIRATION - 29 DE SEPTIEMBRE DE 2026

SOBRE ESTE PROYECTO

Create a striking woodland card featuring a wolf silhouette against a misty forest backdrop. This nature-inspired design uses masking and stencilling techniques to build layers of depth, with a wolf, flying bird, and paw prints creating a dramatic outdoor scene in muted greys and blacks. The finished card combines stamping and white highlighting to achieve a professional, atmospheric effect.

PASO A PASO

1

PASO 1 DE 9

Select a patterned paper from the Great Outdoors kit featuring the wolf and forest imagery. This will be used as the base for your card design.

2

PASO 2 DE 9

Place the wolf mask stencil on your chosen patterned paper and secure it in position with low-tack tape to prevent it from moving.

3

PASO 3 DE 9

Apply white ink around the exterior of the mask using a brush to create a halo effect. Work the ink outwards from the edges of the stencil design to blend it into the forest background.

[VER ESTE PASO - 1:05:30](#)

PASO 4 DE 9

Carefully peel away and remove the mask stencil from the card to reveal the white highlighted outline around the wolf, bird, and paw print silhouettes against the forest background.

PASO 5 DE 9

Stamp the hiker figure onto the forest patterned paper using white ink. Position the stamp towards the centre of the paper, ensuring the image is clear and well-defined.

PASO 6 DE 9

Position the hiker stamp image so that the wolf appears to be watching over him in the forest scene. Hold the piece in place whilst checking the composition works well with the paw prints and bird elements already stamped.

[VER ESTE PASO - 1:07:00](#)

PASO 7 DE 9

Stamp the bird figure at the top of the composition, positioning it above the hiker and wolf scene as if it's watching over them. Use the outdoor-themed stamp from the kit to create this element.

[VER ESTE PASO - 1:07:30](#)

PASO 8 DE 9

Using the paw print stamp from the set and black ink, stamp two paw prints across the bottom portion of the card front, positioning them over the wolf silhouette design.

[VER ESTE PASO - 1:08:00](#)

PASO 9 DE 9

Mount the finished panel onto a white card base using adhesive. Position the panel centrally on the card front and press firmly to secure.

CONSEJOS DEL PROGRAMA

- Apply white ink gently and delicately rather than heavily to create a ghost-like highlight effect.
- It is easier to add more ink than to remove it, so start light and build up if needed.
- You can use the mask to create highlights on the outside or inside of the shape depending on your desired effect.
