

Crow on Branch Lamination Card with Layered Frame

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CELEBRATING 14 YEARS OF STAMPS BY ME - 4 OCTOBER...

SOBRE ESTE PROYECTO

Create a striking monochrome card featuring a detailed crow perched on a branch, set within an elegant layered frame. This project uses stamping and lamination techniques to build dimension, with a black silhouette bird against white, surrounded by decorative foliage and finished with a gold inner frame and sparkle accents. The bold black and white colour scheme creates a dramatic, sophisticated design perfect for any occasion.
