

Tarjeta con bolso y gafas con Quattro D

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - HOBBYMAKER TV - 8 DE AGOSTO DE 2026

SOBRE ESTE PROYECTO

Create a stylish card featuring a designer handbag and sunglasses using the Quattro D four-stage layering system. This elegant design combines stencilling, stamping, die-cutting and embossing to build up dimensional images with professional depth and detail. The finished card showcases fashion accessories in coordinating colours with a sophisticated, boutique-quality finish.

PASO A PASO

PASO 1 DE 8

Line up the first numbered stencil for the handbag at the edge of your white card blank. Apply black ink through the stencil using a blending tool or sponge.

PASO 6 DE 8

Die-cut the handbag and glasses using the die-cutting machine with the correct plate setup. Place your chosen design on the cutting platform and run it through the machine.

PASO 7 DE 8

Place the handbag die cut into the embossing folder, ensuring it is properly aligned. Run the folder with the handbag through your die cutting machine to add stitching detail and create three-dimensional folds on the handbag.

CONSEJOS DEL PROGRAMA

- You can change ink colours between stencil layers to create different effects, such as Valentine's glasses or 70s-style frames
- All Quattro D elements can be used independently—use stencils alone, stamps alone, or combine them as needed
- Emboss background elements separately to create layered depth and make your focal point stand out
