SOBRE ESTE PROYECTO

Create a stunning white embossed card featuring a delicate poinsettia design from the Winter Forest collection. This elegant card combines the crisp texture of embossing with subtle watercolour accents in pink and coral tones to add depth and dimension. The technique uses white ink dusting on craft card stock to create a sophisticated, dimensional finish perfect for winter celebrations.

CONSEJOS DEL PROGRAMA

- You cannot hurt the embossing folder, so feel free to experiment with different techniques.
- The white ink underneath allows you to blend colours smoothly over the top.
- You can add colour selectively to different elements without colouring the entire design.
