

## Shaped Floral Card with Watercolour Background and Gold Sentiment

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - THE THURSDAY DROP - 30 DE JULIO DE 2026

### SOBRE ESTE PROYECTO

Create an elegant shaped card featuring a beautiful watercolour background in soft purples and pinks. This project combines nesting square dies to create a decorative scalloped edge, topped with a fussy-cut floral stamp and a gold-embossed sentiment reading 'Yay You'. The finished card showcases dimensional layering and gentle colour gradients for a sophisticated, stylish result.

## PASO A PASO

1

### PASO 1 DE 13

Cut three pieces from white card stock using the largest nesting square die, then the next size down, and a smaller size for layering.

[VER ESTE PASO - 33:15](#)

2

### PASO 2 DE 13

Pop out all the small cut-out pieces from the dies using a pokey tool.

[VER ESTE PASO - 34:30](#)

3

### PASO 3 DE 13

**Apply glue to one of the largest die-cut squares using the glue brush.** Place a second largest die-cut square on top, aligning the edges carefully, ensuring the score line is at the back to form your card blank.

[VER ESTE PASO - 40:00](#)

4

### PASO 4 DE 13

**Stamp the floral image onto a piece of cream card stock using black ink.** Position the stamp to create a balanced design with the sentiment phrases.

[VER ESTE PASO - 43:30](#)

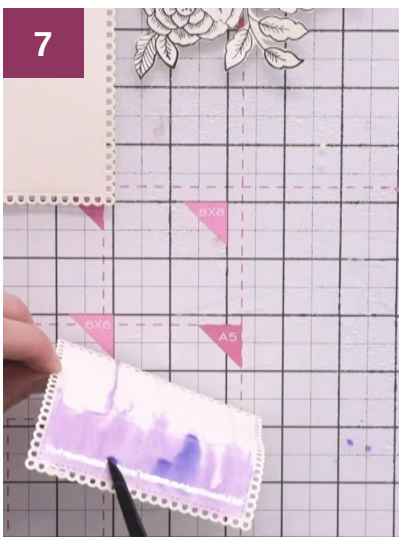

## PASO 5 DE 13

**Fussy cut around the floral stamp, leaving a small border.** Hold your scissors at an angle so the paper does the motion rather than your wrist.

[VER ESTE PASO - 48:15](#)

## PASO 6 DE 13

Using a wet brush, apply water to the surface of one of your medium-sized die-cut squares to dampen it.

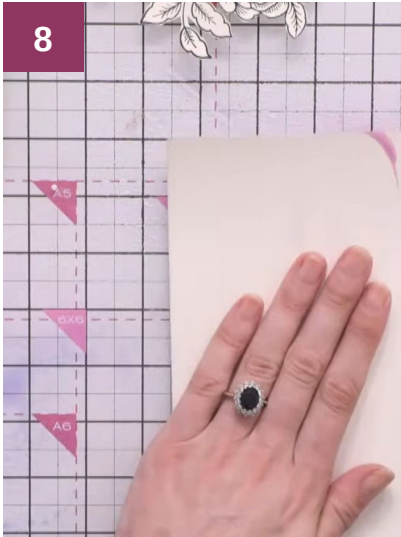

[VER ESTE PASO - 51:00](#)

## PASO 7 DE 13

**Apply teal and pink ink to the wet surface, allowing the colours to blend and run together.** Tap the card at an angle to create drips down the surface.

[VER ESTE PASO - 55:00](#)

8

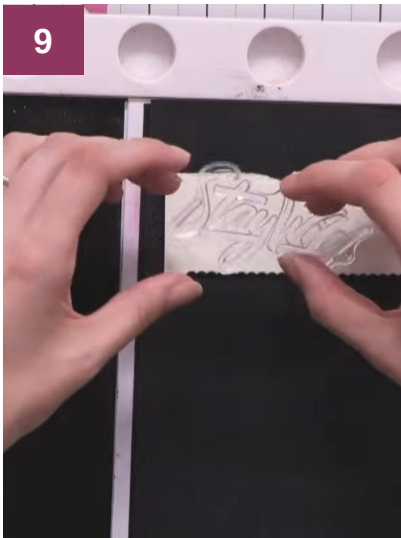

## PASO 8 DE 13

Once the watercoloured piece is dry, flatten it by placing it under a die-cutting machine plate or heavy book if it has warped from the water.

[VER ESTE PASO - 57:30](#)

9

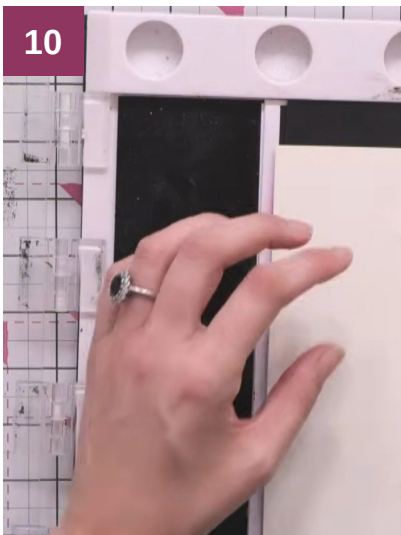

## PASO 9 DE 13

**Stamp the 'Stay Wild' sentiment onto cream card stock using the sticky WOW ink pad.** Position the stamp carefully to ensure a clear impression.

[VER ESTE PASO - 1:03:30](#)

10

## PASO 10 DE 13

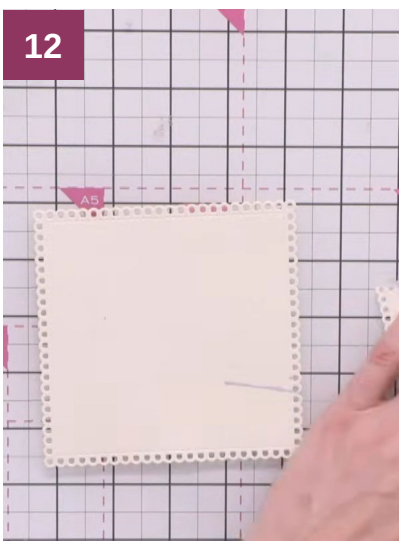

**Apply gold WOW embossing powder to the stamped sentiment.** Heat set the embossing powder with a heat gun until the gold is raised and shiny.

[VER ESTE PASO - 1:04:30](#)

## PASO 11 DE 13

Use the outline die to cut out the gold embossed 'Stay Wild' sentiment from the white card.

[VER ESTE PASO - 1:08:45](#)

## PASO 12 DE 13

**Adhere the watercoloured square flat to the card blank.** Add foam pads to the back of the medium die-cut square with the decorative edge and attach it on top.

[VER ESTE PASO - 1:11:00](#)

## PASO 13 DE 13

**Attach the fussy-cut floral piece to the top of the card using a small amount of adhesive to create dimension.** Position the gold 'Stay Wild' sentiment on foam pads in the centre of the card.

[VER ESTE PASO - 1:15:00](#)

## CONSEJOS DEL PROGRAMA

- When fussy cutting, hold your scissors proud and let the paper do the motion to avoid hand cramp.
- Use watercolour card stock rather than regular card stock if you plan to add water-based techniques to avoid pilling.
- Never be tight with foam pads; use enough to prevent your project from sinking.
